SUBJECT: ONE INCH OVERLAY PROGRAM FOR 2002/03

SOURCE: COMMUNITY DEVELOPMENT AND SERVICES DEPARTMENT - FIELD SERVICES

COMMENT: In the 2002/03 annual budget, the Council authorized the expenditure of $100,000 for the City’s Asphalt Overlay Program for Street Maintenance. Staff has conducted a survey and prepared the Annual Pavement Management Plan that contains a list of streets that qualify, based on condition, for this year’s program. A portion of the project may be funded from the 2001/02 carryover if funds are available. The streets selected are as follows:

1. Terry Court from Patsy to end of cul-de-sac
2. Silver Maple Way from Putnam to Tomah
3. Red Oak Drive from Tomah to end of cul-de-sac
4. Della Avenue from Birch to Mathew
5. Birch Street from Della to Garden
6. Forest Lane from Newcomb to Greenwood
7. Maston Street from Olive south to City limits
8. Cloverleaf from Belleview to Kanai
9. F Street from Olive to Vine
10. Larson Street from Vandalia to Mt. View
11. Harrison Circle from Larson to Park Place
12. H Street from Putnam to the slough
13. Harrison Avenue from E to F
14. Belleview Avenue from Division to Sunnyside
15. Fairhaven Lane from Jaye to Kessing Place
16. Cottage Street from Theta to McComb
17. Cottage Street from Henderson to McComb
18. Stonegate Cove Drive from Mulberry to end of cul-de-sac
19. Atkins Way from Pioneer north to end of cul-de-sac
20. Andres Avenue from Carrillo to Plano
21. Median Circle from Newcomb east to end of cul-de-sac
22. Bel Aire Circle from Prospect east to end of cul-de-sac
23. Cleveland Avenue from Maston to Cobb
24. Cobb St. from Cleveland to Thurman

RECOMMENDATION: That the City Council approve the 2002/03 Street Overlay Program authorizing expenditure of the budgeted funds.
