SUBJECT:  AMENDMENT OF THE CITY CODE - CHANGES TO THE SPECIAL SPEED ZONES

SOURCE:  Public Works Department - Engineering Division

COMMENT:  The speed limits on Westwood Street in the City’s limits are currently set for 35 mph, except for a small section of less than a half mile from Westfield Avenue north to the City limits that is 40 mph.  Westfield Avenue is a school pedestrian crossing for two schools located near the Porter Creek and North Creek subdivisions.  Staff believes that having the speed limit at 35 mph along the entire length of Westwood Avenue is more consistent and safer for pedestrians.

Therefore, Staff recommends that Article XV, Special Speed Zones, Section 17-15, Prima Facie Speed Limits Determined on Certain Streets be amended to add the following:

WESTWOOD STREET

Tule River to North City Limits  35 mph

RECOMMENDATION:  That City Council:

1.  Approve the proposed Ordinance amendment;

2.  Give first reading to the Ordinance amending Chapter 17, Article XV, Section 17-15, Prima Facie Speed Limits Determined on Certain Streets, in the City Code; and

3.  Direct the City Engineer to make the appropriate changes in the posted signs when the ordinance becomes effective.
