OTHER COMMENTS/COUNCIL COMMENTS
• Council Member Irish spoke in reference to graffiti and asked why we don’t require stores to lock up their spray paint. He stressed this is an important issue and would like to see enforcement. Ron asked if any of the judges had responded to the letter sent regarding our graffiti ordinance, and the City Manager advised Council would receive a copy of any letters received. He also raised the question as to when stores open up can the condition be set in the conditional use permit to require them to lock up spray paint.
• Council Member Hamilton asked the City Attorney if a graffiti perpetrator is caught with paraphernalia can we prosecute them. The City Attorney will provide a memo to Council along with requirements of stores in response.

• Council Member Hamilton commended the Chief of Police on the presentation and was very impressed with the knowledge the officers have and requested a letter of appreciation, signed by all the Council, to Mr. Bob Perez for his involvement and participation at the Gang Study Session.

• Council Member West stated he would like the Council to look at the budget item by item (line-by-line) to see if the money can be found to hire two additional police officers to assist with the crime, gangs, and graffiti.

• Council Member Hamilton asked to direct the City Manager to look closer into the budget and come back with some recommendations. The City Manager advised budgetary reviews will be taking place in November, and again in January and asked that this be deferred to that time for further discussion and a report will be provided as requested.

The City Attorney advised that in the bid process (involving construction contracts) we are required to take the lowest responsible and responsive bid, with some flexibility.

• Mayor Pro Tem Martinez announced there is a car show on Sunday and everyone is invited. Mayor Pro Tem also spoke in reference to the P.A.L. Center and an event where they will be having the young kids who have participated in the boxing activity are going to be displaying their skills this Saturday at Eagle Mountain Casino. • Mayor Pro Tem Martinez also thanked Council Member Hamilton for taking on some of the tough issues and putting them on the agenda.

• Mayor Stadtherr spoke in reference to all the different committees and questioned if they are making progress and doing what they were formed to do.
