OVERSIGHT BOARD AGENDA: JANUARY 10, 2013

SUBJECT: SWEARING IN OF NEW BOARD MEMBER

SOURCE: COMMUNITY DEVELOPMENT DEPARTMENT

COMMENT: Section 34179(a) of the Dissolution Act provides that a Successor Agency shall have an Oversight Board composed of seven (7) members. On April 3, 2012, the Successor Agency accepted a report on the appointment of members to the Oversight Board. At that time §35179(a) required that two members be appointed by the mayor for the city that formed the Redevelopment Agency. Section 34179(a)(7) required that one member represent the employees of the former redevelopment agency. With the recent retirement of Ms. Denise Marchant, a vacancy has been created.

Health & Safety Code §35179(a)(7), was recently modified, and requires that the employee of the former redevelopment agency be appointed from the recognized employee organization representing the largest number of former redevelopment agency employees. Staff recommended appointing Ms. Lupe Diaz as Ms. Marchant’s replacement.

Ms. Linda Wammack, President, Management Confidential Series appointed Ms. Lupe Diaz to the Oversight Board for the Successor Agency. The Secretary of the Board must swear in the new appointee.

RE: Appointment of a new member to the Oversight Board

As you are aware, AB1X26 requires the dissolution of all redevelopment agencies and replaces them with a Successor Agency. Each Successor Agency shall have an Oversight Board composed of seven members as identified in AB1X26. On April 3, 2012 the Agency accepted a report on the appointment of the following members to the Oversight Board, including the two members appointed by Ron Irish, Mayor. The members are as follows:

- Supervisor Mike Ennis - Appointed by the Board of Supervisors
- Mr. John Hess – Appointed by the Board of Supervisors
- Mr. Steve Tree – Appointed by Mayor Ronald Irish
- Ms. Denise Marchant - Appointed by Mayor Ronald Irish
- Dr. Rosa Carlson - Appointed by Kern Community College District
- Dr. John Snavely - Appointed by Tulare County Office of Education
- Mr. Joe Stewart - Appointed by Sierra View District Hospital Board

Board member Denise Marchant will be retiring as of December 29, 2012, and has submitted her resignation letter (see attachment), which necessitates her replacement on the Oversight Board. According to AB1X26, §34179(a)(7) requires that one member of the committee represent the employees of the former redevelopment agency as appointed from the recognized employee organization representing the largest number of former redevelopment agency employees. At this time, staff recommends appointing Ms. Lupe Diaz as Ms. Marchant’s replacement.

Ms. Diaz was hired in April 2007 as a provisional Administrative Aide working in Housing/CDBG/Redevelopment within the Community Development Department. Recently Ms. Diaz was promoted to the position of Development Associate – Housing/CDBG (Ms. Marchant’s former position), which duties include assisting with the dissolution of redevelopment.

If you approve staff’s recommendation and would like to appoint Ms. Lupe Diaz to the Oversight Board, please sign the attached letter to Ms. Diaz appointing her to the Oversight Board and return to the Community Development Department for disbursement.

RE: Oversight Board

Dear Mayor Gurrola:

Due to my imminent retirement at the end of December, I regretfully must tender my resignation from the Oversight Board for the City of Porterville Successor Agency effective December 29, 2012. I was serving as the representative of the employees of the former redevelopment agency appointed by the Mayor.

Having been involved with redevelopment in Porterville since its inception, I must admit that I have found this whole situation quite disheartening, but I have appreciated the opportunity to serve on the Oversight Board as there are so many issues involved with the dissolution of redevelopment that must be diligently addressed.

Thank you and the best of luck in the future endeavors of the City.

Sincerely,

Denise L. Marchant
Development Associate

Ms. Lupe Diaz
1003 N. Sycamore Way
Porterville, CA 93257

Dear Ms. Diaz:

I would like to thank you for your interest in serving on the Oversight Board for the City of Porterville Successor Agency. AB1X26, the State legislation that dissolved Redevelopment Agencies, authorizes the member representing the employees of the former redevelopment agency. With the recent retirement of Denise Marchant a vacancy has been created.

Due to your knowledge and experience in redevelopment, and your interest in serving, I hereby appoint you to the Oversight Board for the Successor Agency.

Attached for your information is a copy of §34179 of AB1X26 which outlines the fiduciary responsibilities of the Oversight Board. Once again, thank you for your willingness to serve as a member of the Oversight Board. If you have any questions regarding this appointment, please contact Brad Dunlap at (559) 782-7460.

Sincerely,

Linda Wammack
President, Management Confidential Series

Enclosure
§34179 – 34181 Oversight Board

34179. (a) Each successor agency shall have an oversight board composed of seven members. The members shall elect one of their members as the chairperson and shall report the name of the chairperson and other members to the Department of Finance on or before May 1, 2012. Members shall be selected as follows:

(1) One member appointed by the county board of supervisors.

(2) One member appointed by the mayor for the city that formed the redevelopment agency.

(3) (A) One member appointed by the largest special district, by property tax share, with territory in the territorial jurisdiction of the former redevelopment agency, which is of the type of special district that is eligible to receive property tax revenues pursuant to Section 34188.

(B) On or after the effective date of this subparagraph, the county auditor-controller may determine which is the largest special district for purposes of this section.

(4) One member appointed by the county superintendent of education to represent schools if the superintendent is elected. If the county superintendent of education is appointed, then the appointment made pursuant to this paragraph shall be made by the county board of education.

(5) One member appointed by the Chancellor of the California Community Colleges to represent community college districts in the county.

(6) One member of the public appointed by the county board of supervisors.

(7) One member representing the employees of the former redevelopment agency appointed by the mayor or chair of the board of supervisors, as the case may be, from the recognized employee organization representing the largest number of former redevelopment agency employees employed by the successor agency at that time. In the case where city or county employees performed administrative duties of the former redevelopment agency, the appointment shall be made from the recognized employee organization representing those employees. If a recognized employee organization does not exist for either the employees of the former redevelopment agency or the city or county employees performing administrative duties of the former redevelopment agency, the appointment shall be made from among the employees of the successor agency. In voting to approve a contract as an enforceable obligation, a member appointed pursuant to this paragraph shall not be deemed to be interested in the contract by virtue of being an employee of the successor agency or community for purposes of Section 1090 of the Government Code.

(8) If the county or a joint powers agency formed the redevelopment agency, then the largest city by acreage in the territorial jurisdiction of the former redevelopment agency may select one member. If there are no cities with territory in a project area of the redevelopment agency, the county superintendent of education may appoint an additional member to represent the public.
(9) If there are no special districts of the type that are eligible to receive property tax pursuant to Section 34188, within the territorial jurisdiction of the former redevelopment agency, then the county may appoint one member to represent the public.

(10) If a redevelopment agency was formed by an entity that is both a charter city and a county, the oversight board shall be composed of seven members selected as follows: three members appointed by the mayor of the city, if that appointment is subject to confirmation by the county board of supervisors, one member appointed by the largest special district, by property tax share, with territory in the territorial jurisdiction of the former redevelopment agency, which is the type of special district that is eligible to receive property tax revenues pursuant to Section 34188. one member appointed by the county superintendent of education to represent schools, one member appointed by the Chancellor of the California Community Colleges to represent community college districts, and one member representing employees of the former redevelopment agency appointed by the mayor of the city if that appointment is subject to confirmation by the county board of supervisors, to represent the largest number of former redevelopment agency employees employed by the successor agency at that time.

(b) The Governor may appoint individuals to fill any oversight board member position described in subdivision (a) that has not been filled by May 15, 2012, or any member position that remains vacant for more than 60 days.

(c) The oversight board may direct the staff of the successor agency to perform work in furtherance of the oversight board's duties and responsibilities under this part. The successor agency shall pay for all of the costs of meetings of the oversight board and may include such costs in its administrative budget. Oversight board members shall serve without compensation or reimbursement for expenses.

(d) Oversight board members are protected by the immunities applicable to public entities and public employees governed by Part 1 (commencing with Section 810) and Part 2 (commencing with Section 814) of Division 3.6 of Title 1 of the Government Code.

(e) A majority of the total membership of the oversight board shall constitute a quorum for the transaction of business. A majority vote of the total membership of the oversight board is required for the oversight board to take action. The oversight board shall be deemed to be a local entity for purposes of the Ralph M. Brown Act, the California Public Records Act, and the Political Reform Act of 1974. All actions taken by the oversight board shall be adopted by resolution.

(f) All notices required by law for proposed oversight board actions shall also be posted on the successor agency's Internet Web site or the oversight board's Internet Web site.

(g) Each member of an oversight board shall serve at the pleasure of the entity that appointed such member.

(h) The Department of Finance may review an oversight board action taken pursuant to this part. Written notice and information about all actions taken by an oversight board shall be provided to the department by electronic means and in a manner of the department's choosing. An action shall become effective five business days after notice in the manner specified by the department is provided unless the department requests a review. Each oversight board shall designate an official to whom the department may make those requests and who shall provide the department
with the telephone number and e-mail contact information for the purpose of communicating with the department pursuant to this subdivision. Except as otherwise provided in this part, in the event that the department requests a review of a given oversight board action, it shall have 40 days from the date of its request to approve the oversight board action or return it to the oversight board for reconsideration and the oversight board action shall not be effective until approved by the department. In the event that the department returns the oversight board action to the oversight board for reconsideration, the oversight board shall resubmit the modified action for department approval and the modified oversight board action shall not become effective until approved by the department. If the department reviews a Recognized Obligation Payment Schedule, the department may eliminate or modify any item on that schedule prior to its approval. The county auditor-controller shall reflect the actions of the department in determining the amount of property tax revenues to allocate to the successor agency. The department shall provide notice to the successor agency and the county auditor-controller as to the reasons for its actions. To the extent that an oversight board continues to dispute a determination with the department, one or more future recognized obligation schedules may reflect any resolution of that dispute. The department may also agree to an amendment to a Recognized Obligation Payment Schedule to reflect a resolution of a disputed item; however, this shall not affect a past allocation of property tax or create a liability for any affected taxing entity.

(i) Oversight boards shall have fiduciary responsibilities to holders of enforceable obligations and the taxing entities that benefit from distributions of property tax and other revenues pursuant to Section 34188. Further, the provisions of Division 4 (commencing with Section 1000) of the Government Code shall apply to oversight boards. Notwithstanding Section 1099 of the Government Code, or any other law, any individual may simultaneously be appointed to up to five oversight boards and may hold an office in a city, county, city and county, special district, school district, or community college district.

(j) Commencing on and after July 1, 2016, in each county where more than one oversight board was created by operation of the act adding this part, there shall be only one oversight board appointed as follows:

(1) One member may be appointed by the county board of supervisors.

(2) One member may be appointed by the city selection committee established pursuant to Section 50270 of the Government Code. In a city and county, the mayor may appoint one member.

(3) One member may be appointed by the independent special district selection committee established pursuant to Section 56332 of the Government Code, for the types of special districts that are eligible to receive property tax revenues pursuant to Section 34188.

(4) One member may be appointed by the county superintendent of education to represent schools if the superintendent is elected. If the county superintendent of education is appointed, then the appointment made pursuant to this paragraph shall be made by the county board of education.

(5) One member may be appointed by the Chancellor of the California Community Colleges to represent community college districts in the county.
(6) One member of the public may be appointed by the county board of supervisors.

(7) One member may be appointed by the recognized employee organization representing the largest number of successor agency employees in the county.

(k) The Governor may appoint individuals to fill any oversight board member position described in subdivision (j) that has not been filled by July 15, 2016, or any member position that remains vacant for more than 60 days.

(l) Commencing on and after July 1, 2016, in each county where only one oversight board was created by operation of the act adding this part, then there will be no change to the composition of that oversight board as a result of the operation of subdivision (b).

(m) Any oversight board for a given successor agency shall cease to exist when all of the indebtedness of the dissolved redevelopment agency has been repaid.

(n) An oversight board may direct a successor agency to provide additional legal or financial advice than what was given by agency staff.

(o) An oversight board is authorized to contract with the county or other public or private agencies for administrative support.

(p) On matters within the purview of the oversight board, decisions made by the oversight board supersede those made by the successor agency or the staff of the successor agency.

34179.5. (a) In furtherance of subdivision (d) of Section 34177, each successor agency shall employ a licensed accountant, approved by the county auditor-controller and with experience and expertise in local government accounting, to conduct a due diligence review to determine the unobligated balances available for transfer to taxing entities. As an alternative, an audit provided by the county auditor-controller that provides the information required by this section may be used to comply with this section with the concurrence of the oversight board.

(b) For purposes of this section the following terms shall have the following meanings:

(1) "Cash" and "cash equivalents" includes, but is not limited to, cash in hand, bank deposits, Local Agency Investment Fund deposits, deposits in the city or county treasury or any other pool, marketable securities, commercial paper, United States Treasury bills, banker's acceptances, payables on demand and amounts due from other parties as defined in subdivision (c), and any other money owned by the successor agency.

(2) "Enforceable obligation" includes any of the items listed in subdivision (d) of Section 34171, contracts detailing specific work to be performed that were entered into by the former redevelopment agency prior to June 28, 2011, with a third party that is other than the city, county, or city and county that created the former redevelopment agency, and indebtedness obligations as defined in subdivision (e) of Section 34171.

(3) "Transferred" means the transmission of money to another party that is not in payment for goods or services or an investment or where the payment is de minimus. Transfer also means where the payments are ultimately merely a restriction on the use of the money.
(c) At a minimum, the review required by this section shall include the following:

(1) The dollar value of assets transferred from the former redevelopment agency to the successor agency on or about February 1, 2012.

(2) The dollar value of assets and cash and cash equivalents transferred after January 1, 2011, through June 30, 2012, by the redevelopment agency or the successor agency to the city, county, or city and county that formed the redevelopment agency and the purpose of each transfer. The review shall provide documentation of any enforceable obligation that required the transfer.

(3) The dollar value of any cash or cash equivalents transferred after January 1, 2011, through June 30, 2012, by the redevelopment agency or the successor agency to any other public agency or private party and the purpose of each transfer. The review shall provide documentation of any enforceable obligation that required the transfer.

(4) The review shall provide expenditure and revenue accounting information and identify transfers and funding sources for the 2010-11 and 2011-12 fiscal years that reconciles balances, assets, and liabilities of the successor agency on June 30, 2012 to those reported to the Controller for the 2009-10 fiscal year.

(5) separate accounting for the balance for the Low and Moderate Income Housing Fund for all other funds and accounts combined shall be made as follows:

(A) A statement of the total value of each fund as of June 30, 2012.

(B) An itemized statement listing any amounts that are legally restricted as to purpose and cannot be provided to taxing entities. This could include the proceeds of any bonds, grant funds, or funds provided by other governmental entities that place conditions on their use.

(C) An itemized statement of the values of any assets that are not cash or cash equivalents. This may include physical assets, land, records, and equipment. For the purpose of this accounting, physical assets may be valued at purchase cost or at any recently estimated market value. The statement shall list separately housing-related assets.

(D) An itemized listing of any current balances that are legally or contractually dedicated or restricted for the funding of an enforceable obligation that identifies the nature of the dedication or restriction and the specific enforceable obligation. In addition, the successor agency shall provide a listing of all approved enforceable obligations that includes a projection of annual spending requirements to satisfy each obligation and a projection of annual revenues available to fund those requirements. If a review finds that future revenues together with dedicated or restricted balances are insufficient to fund future obligations and thus retention of current balances is required, it shall identify the amount of current balances necessary for retention. The review shall also detail the projected property tax revenues and other general purpose revenues to be received by the successor agency, together with both the amount and timing of the bond debt service payments of the successor agency, for the period in which the oversight board anticipates the successor agency will have insufficient property tax revenue to pay the specified obligations.
An itemized list and analysis of any amounts of current balances that are needed to satisfy obligations that will be placed on the Recognized Obligation Payment Schedules for the current fiscal year.

The review shall total the net balances available after deducting the total amounts described in subparagraphs (B) to (E), inclusive, of paragraph (5). The review shall add any amounts that were transferred as identified in paragraphs (2) and (3) of subdivision (c) if an enforceable obligation to make that transfer did not exist. The resulting sum shall be available for allocation to affected taxing entities pursuant to Section 34179.6. It shall be a rebuttable presumption that cash and cash equivalent balances available to the successor agency are available and sufficient to disburse the amount determined in this paragraph to taxing entities. If the review finds that there are insufficient cash balances to transfer or that cash or cash equivalents are specifically obligated to the purposes described in subparagraphs (B), (D), and (E) of paragraph (5) in such amounts that there is insufficient cash to provide the full amount determined pursuant to this paragraph, that amount shall be demonstrated in an additional itemized schedule.

The review required pursuant to Section 34179.5 shall be submitted to the oversight board for review. The successor agency shall submit a copy of the Recognized Obligation Payment Schedule to the county administrative officer, the county auditor-controller, and the Department of Finance at the same time that the successor agency submits the review to the oversight board for review.

By October 1, 2012, each successor agency shall provide to the oversight board, the county auditor-controller, the Controller, and the Department of Finance the results of the review conducted pursuant to Section 34179.5 for the Low and Moderate Income Housing Fund and specifically the amount of cash and cash equivalents determined to be available for allocation to taxing entities. By December 15, 2012, each successor agency shall provide to the oversight board, the county auditor-controller, the Controller, and the department the results of the review conducted pursuant to Section 34179.5 for all of the other fund and account balances and specifically the amount of cash and cash equivalents determined to be available for allocation to taxing entities. The department may request any supporting documentation and review results to assist in its review under subdivision (d). The department may specify the form and manner information about the review shall be provided to it.

Upon receipt of the review, the oversight board shall convene a public comment session to take place at least five business days before the oversight board holds the approval vote specified in subdivision (c). The oversight board also shall consider any opinions offered by the county auditor-controller on the review results submitted by the successor agencies.

By October 15, 2012, for the Low and Moderate Income Housing Fund and by January 15, 2013, for all other funds and accounts, the oversight board shall review, approve, and transmit to the department and the county auditor-controller the determination of the amount of cash and cash equivalents that are available for disbursement to taxing entities as determined according to the method provided in Section 34179.5. The oversight board may adjust any amount provided in the review to reflect additional information and analysis. The review and approval shall occur in public sessions. The oversight board may request from the successor agency any materials it deems necessary to assist in its review and approval of the determination. The oversight board shall be empowered to authorize a successor agency to retain assets or funds identified in subparagraphs (B) to (E), inclusive, of paragraph (5) of subdivision (c) of Section 34179.5. An oversight board that
makes that authorization also shall identify to the department the amount of funds authorized for retention, the source of those funds, and the purposes for which those funds are being retained. The determination and authorization to retain funds and assets shall be subject to the review and approval of the department pursuant to subdivision (d).

(d) The department may adjust any amount associated with the determination of the resulting amount described in paragraph (6) of subdivision (c) of Section 34179.5 based on its analysis and information provided by the successor agency and others. The department shall consider any findings or opinions of the county auditor-controllers and the Controller. The department shall complete its review of the determinations provided pursuant to subdivision (c) no later than November 9, 2012, for the Low and Moderate Income Housing Fund and also shall notify the oversight board and the successor agency of its decision to overturn any decision of the oversight board to authorize a successor agency to retain assets or funds made pursuant to subdivision (c). The department shall complete its review of the determinations provided pursuant to subdivision (c) no later than April 1, 2013, for the other funds and accounts and also shall notify the oversight board and the successor agency of its decision to overturn any oversight board authorizations made pursuant to subdivision (c). The department shall provide the oversight board and the successor agency an explanation of its basis for overturning or modifying any findings, determinations, or authorizations of the oversight board made pursuant to subdivision (c).

(e) The successor agency and the entity or entities that created the former redevelopment agency may request to meet and confer with the department to resolve any disputes regarding the amounts or sources of funds identified as determined by the department. The request shall be made within five business days of the transmission, and no later than November 16, 2012, for the determination regarding the Low and Moderate Income Housing Fund, to the successor agency or the designated local authority of the department's determination, decisions, and explanations and shall be accompanied by an explanation and documentation of the basis of the dispute. The department shall meet and confer with the requesting party and modify its determinations and decisions accordingly. The department shall either confirm or modify its determinations and decisions within 30 days of the request to meet and confer.

(f) Each successor agency shall transmit to the county auditor-controller the amount of funds required pursuant to the determination of the department within five working days of receipt of the notification under subdivision (c) or (e) if a meet and confer request is made. Successor agencies shall make diligent efforts to recover any money determined to have been transferred without an enforceable obligation as described in paragraphs (2) and (3) of subdivision (c) of Section 34179.5. The department shall notify the county auditor-controllers of its actions and the county auditor-controllers shall disburse the funds received from successor agencies to taxing entities pursuant to Section 34188 within five working days of receipt. Amounts received after November 28, 2012, and April 10, 2013, may be held and disbursed with the regular payments to taxing entities pursuant to Section 34183.

(g) By December 1, 2012, the county auditor-controller shall provide the department a report specifying the amount submitted by each successor agency pursuant to subdivision (d) for low- and moderate-income housing funds, and specifically noting those successor agencies that failed to remit the full required amount. By April 20, 2013, the county auditor-controller shall provide the department a report detailing the amount submitted by each successor agency pursuant to subdivision (d) for all other funds and accounts, and specifically noting those successor agencies that failed to remit the full required amount.
(h) If a successor agency fails to remit to the county auditor-controller the sums identified in subdivisions (d) and (f), by the deadlines specified in those subdivisions, the following remedies are available:

(1) (A) If the successor agency cannot promptly recover the funds that have been transferred to another public agency without an enforceable obligation as described in paragraphs (2) and (3) of subdivision (c) of Section 34179.5, the funds may be recovered through an offset of sales and use tax or property tax allocations to the local agency to which the funds were transferred. To recover such funds, the Department of Finance may order the State Board of Equalization to make an offset pursuant to subdivision (a) of Section 34179.8. If the Department of Finance does not order a sales tax offset, the county auditor-controller may reduce the property tax allocations to any local agency in the county that fails to repay funds pursuant to subdivision (c) of Section 34179.8.

(B) The county auditor-controller and the department shall each have the authority to demand the return of funds improperly spent or transferred to a private person or other private entity. If funds are not repaid within 60 days, they may be recovered through any lawful means of collection and are subject to a ten percent penalty plus interest at the rate charged for late personal income tax payments from the date the improper payment was made to the date the money is repaid.

(C) If the city, county, or city and county that created the former redevelopment agency is also performing the duties of the successor agency, the Department of Finance may order an offset to the distribution provided to the sales and use tax revenue to that agency pursuant to subdivision (a) of Section 34179.8. This offset shall be equal to the amount the successor fails to remit pursuant to subdivision (f). If the Department of Finance does not order a sales tax offset, the county auditor-controller may reduce the property tax allocations of the city, county, or city and county that created the former redevelopment agency pursuant to subdivision (c) of Section 34179.8.

(D) The department and the county auditor-controller shall coordinate their actions undertaken pursuant to this paragraph.

(2) Alternatively or in addition to the remedies provided in paragraph (1), the department may direct the county auditor-controller to deduct the unpaid amount from future allocations of property tax to the successor agency under Section 34183 until the amount of payment required pursuant to subdivision (d) is accomplished.

(3) If the Department of Finance determines that payment of the full amount required under subdivision (d) is not currently feasible or would jeopardize the ability of the successor agency to pay enforceable obligations in a timely manner, it may agree to an installment payment plan.

(i) (1) If a legal action contesting a withholding effectuated by the State Board of Equalization pursuant to subparagraphs (B), (C), or (B) and (C) of paragraph (2) of subdivision (b) of Section 34183.5 is successful and results in a final judicial determination, the court shall order the state to pay to the prevailing party a penalty equal to a percentage of the amount of funds found by the court to be improperly withheld, as provided in Section 34179.8. This percentage shall be
equivalent to the number of months the funds have been found by the court to be improperly withheld, not to exceed 10 percent.

(2) If a legal action contesting an offset effectuated by the State Board of Equalization or the county auditor-controller pursuant to subdivision (h) is successful and results in a final judicial determination, the court shall order the state or the county auditor-controller to pay to the prevailing party a penalty equal to 10 percent of the amount of funds found by the court to be improperly offset, as provided in Section 34179.8.

(j) If a legal challenge to invalidate any provision in subdivision (h) or subparagraph (B) or (C), or subparagraphs (B) and (C) of paragraph (2) of subdivision (b) of Section 34183.5 is successful and results in a final judicial determination, the invalidated provision shall become inoperative and subdivision (i) shall become inoperative with respect to the invalidated provision.

34179.7. Upon full payment of the amounts determined in subdivision (d) or (e) of Section 34179.6 as reported by the county auditor-controller pursuant to subdivision (g) of Section 34179.6 and of any amounts due as determined by Section 34183.5, or upon a final judicial determination of the amounts due and confirmation that those amounts have been paid by the county auditor-controller, the department shall issue, within five business days, a finding of completion of the requirements of Section 34179.6 to the successor agency.

34179.8. (a) If an offset or withholding of sales and use tax is ordered by the Department of Finance pursuant to this part, the State Board of Equalization shall reduce the distribution of sales and use taxes collected under Chapter 1 (commencing with Section 7200) of Part 1.5 of Division 2 of the Revenue and Taxation Code to the entity that is the subject of the offset or withholding and shall direct the Controller to issue a warrant in the amount of any offset pursuant to subdivision (h) of Section 34179.6 to the county auditor-controller. The county auditor-controller shall distribute this amount to the taxing entities for the former redevelopment area according to Section 34188.

(b) (1) If a court has issued a final judicial determination or the department determines that some or all of the amount collected through the offset of sales and use tax has been paid by another means and no additional amount is owed, the court or the department shall notify the State Board of Equalization of that determination. Upon notification, the State Board of Equalization shall reverse the relevant amount of sales and use tax offset, add any penalty payable under subdivision (i) of Section 34179.6, and adjust the next distribution of sales and use tax to the affected local entity by reducing the allocation of tax to the General Fund and increasing the distribution to the local entity by that sum.

(2) The board shall inform the Controller of the reversal of the offset of sales and use tax undertaken pursuant to paragraph (1). The Controller shall send a demand for payment to the county auditor-controller for the amount of the offset reversal, excluding any penalty amount determined by the court pursuant to subdivision (i) of Section 34179.6 to be applicable to the offset. The auditor-controller shall reduce allocations to taxing entities in the next distributions under Section 34188 until the amount of the reversed offset is recovered and shall pay such recovered amounts to the State Controller for deposit in the General Fund. (c) (1) If an offset of property tax is ordered by the county auditor-controller pursuant to this part, the auditor-controller shall reduce the distribution of property taxes to the entity that is the subject of the offset and shall distribute the amount to the taxing entities for the former redevelopment area according to Section 34188.
(2) If a court has issued a final judicial determination or the department determines that some or all of the amount collected through the offset made pursuant to paragraph (1) has been paid by another means and no additional amount is owed, the court or the department shall notify the county auditor-controller of that determination. Upon notification, the county auditor-controller shall reverse the relevant amount of property tax revenues offset in the next distribution of property tax to the affected local entity by reducing the allocation of tax to the taxing entities of the former redevelopment area under Section 34188 and increasing the distribution of property taxes to the local entity that was subject to the offset.

34180. All of the following successor agency actions shall first be approved by the oversight board:

(a) The establishment of new repayment terms for outstanding loans where the terms have not been specified prior to the date of this part. An oversight board shall not have the authority to reestablish loan agreements between the successor agency and the city, county, or city and county that formed the redevelopment agency except as provided in Chapter 9 (commencing with Section 34191.1).

(b) The issuance of bonds or other indebtedness or the pledge or agreement for the pledge of property tax revenues (formally tax increment prior to the effective date of this part) pursuant to subdivision (a) of Section 34177.5.

(c) Setting aside of amounts in reserves as required by indentures, trust indentures, or similar documents governing the issuance of outstanding redevelopment agency bonds.

(d) Merging of project areas.

(e) Continuing the acceptance of federal or state grants, or other forms of financial assistance from either public or private sources, if that assistance is conditioned upon the provision of matching funds, by the successor entity as successor to the former redevelopment agency, in an amount greater than 5 percent.

(f) (1) If a city, county, or city and county wishes to retain any properties or other assets for future redevelopment activities, funded from its own funds and under its own auspices, it must reach a compensation agreement with the other taxing entities to provide payments to them in proportion to their shares of the base property tax, as determined pursuant to Section 34188, for the value of the property retained.

(2) If no other agreement is reached on valuation of the retained assets, the value will be the fair market value as of the 2011 property tax lien date as determined by an independent appraiser approved by the oversight board.

(g) Establishment of the Recognized Obligation Payment Schedule.

(h) A request by the successor agency to enter into an agreement with the city, county, or city and county that formed the redevelopment agency that it is succeeding. An oversight board shall not have the authority to reestablish loan agreements between the successor agency and the city, county, or city and county that formed the redevelopment agency except as provided in Chapter 9 (commencing with Section 34191.1). Any actions to reestablish any other agreements that are in furtherance of enforceable obligations, with the city, county, or city and county that formed the
redevelopment agency are invalid until they are included in an approved and valid Recognized Obligation Payment Schedule.

(i) A request by a successor agency or taxing entity to pledge, or to enter into an agreement for the pledge of, property tax revenues pursuant to subdivision (b) of Section 34178.

(j) Any document submitted by a successor agency to an oversight board for approval by any provision of this part shall also be submitted to the county administrative officer, the county auditor-controller, and the Department of Finance at the same time that the successor agency submits the document to the oversight board.

34181. The oversight board shall direct the successor agency to do all of the following:

(a) Dispose of all assets and properties of the former redevelopment agency, provided, however, that the oversight board may instead direct the successor agency to transfer ownership of those assets that were constructed and used for a governmental purpose, such as roads, school buildings, parks, police and fire stations, libraries, and local agency administrative buildings, to the appropriate public jurisdiction pursuant to any existing agreements relating to the construction or use of such an asset. Any compensation to be provided to the successor agency for the transfer of the asset shall be governed by the agreements relating to the construction or use of that asset. Disposal shall be done expeditiously and in a manner aimed at maximizing value. Asset disposition may be accomplished by a distribution of income to taxing entities proportionate to their property tax share from one or more properties that may be transferred to a public or private agency for management pursuant to the direction of the oversight board.

(b) Cease performance in connection with and terminate all existing agreements that do not qualify as enforceable obligations.

(c) Transfer housing assets pursuant to Section 34176.

(d) Terminate any agreement, between the dissolved redevelopment agency and any public entity located in the same county, obligating the redevelopment agency to provide funding for any debt service obligations of the public entity or for the construction, or operation of facilities owned or operated by such public entity, in any instance where the oversight board has found that early termination would be in the best interests of the taxing entities.

(e) Determine whether any contracts, agreements, or other arrangements between the dissolved redevelopment agency and any private parties should be terminated or renegotiated to reduce liabilities and increase net revenues to the taxing entities, and present proposed termination or amendment agreements to the oversight board for its approval. The board may approve any amendments to or early termination of those agreements if it finds that amendments or early termination would be in the best interests of the taxing entities.

(f) All actions taken pursuant to subdivisions (a) and (c) shall be approved by resolution of the oversight board at a public meeting after at least 10 days' notice to the public of the specific proposed actions. The actions shall be subject to review by the Department of Finance pursuant to Section 34179 except that the department may extend its review period by up to 60 days. If the department does not object to an action subject to this section, and if no action challenging an action is commenced within 60 days of the approval of the action by the oversight board, the action of the
oversight board shall be considered final and can be relied upon as conclusive by any person. If an action is brought to challenge an action involving title to or an interest in real property, a notice of pendency of action shall be recorded by the claimant as provided in Title 4.5 (commencing with Section 405) of Part 2 of the Code of Civil Procedure within a 60-day period.
