CINCO DE MAYO PARADE – MAY 4, 2013

Proposed Conditions/Requirements:

➢ City Council approval is required for all street closures.

➢ Ensure highly visible and adequate barricades/barriers are used to warn motorists of non-access and prevent vehicle access to those designated areas.

➢ Cinco de Mayo Planning Committee should meet with street vendors to coordinate rules regarding their activities, such as:
  ▪ Staying off the parade route and crossing in front of floats or groups
  ▪ Shall not sell silly string, snap caps or party poppers (pursuant to City Ordinance)

➢ Food vendors should be situated where they do not block the sidewalk.

➢ Throwing candy or any substances/objects from vehicles, floats, or any parade entry is prohibited. This results in children scampering to catch or find candy in a crowded environment, and causes others to run out into the street. This practice creates significant and unnecessary risk for parade goers. All registered parade entrants should be informed of this prohibition and efforts taken to cease this practice.

➢ An Outside Amplifier Permit has been requested and granted. However, event organizers shall not allow music or other amplifications to be played so loud as to unreasonably disturb the peace and good order of the business establishments or neighborhoods in the area.

➢ At the conclusion of the event, all barricades shall be promptly removed and equipment shall be cleared so as to avoid interfering with vehicular or pedestrian travel.

➢ Event organizers shall contact Sergeant Rick Carrillo (Porterville Police Department) as soon as possible in order to coordinate parade route postings and necessary police involvement. Officer C. Jordan can be contacted at 559-782-7408/559-782-7400.
