Staff has found the low bid acceptable and in compliance with the specification requirements for this federally funded project. The Engineer’s Estimate of Probable Cost for construction is $1,212,064. The low bid is 9.8% above the Engineer’s Estimate. An additional $133,054.72 (10%) is requested for the construction contingency. An additional $133,054.72 (10%) is requested for construction management, Omni-Means construction design services per a December 4, 2012 City Council action, quality control and inspection services for a total estimated construction cost of $1,596,656.65.
The City has obtained Caltrans and FHWA authorization to bid and award the project by means of an E-76 approval process. Funding allocations are defined as part of this process and initially several components of the project were defined as non-participating. Recently, Caltrans has issued a bulletin that now designates a majority of these components to be federally funded. City Staff must process an Amendment Modification (AMOD) in order to allocate federal funds for those items of work that are now considered participating.

Staff anticipates approval of the AMOD; however, should the AMOD not be approved, $290,000 of unallocated local transportation funds will be needed to fully fund the project.

The local match and non-participating items of work shall be funded by Measure R, unallocated Local Transportation Funds, Water Replacement Fund and Sewer Revolving Fund, all of which was approved in the 2013/2014 Annual Budget and an August 6, 2013, City Council approved budget appropriation.

RECOMMENDATION: That City Council:

1. Award the Jaye Street & Montgomery Avenue Roundabout Project to Central Valley Asphalt in the amount of $1,330,547.21; and

2. Authorize a 10% contingency to cover unforeseen construction costs and 10% for construction management, quality control and inspection.

3. Authorize the appropriation of $290,000 of unallocated Local Transportation Funds if Caltrans does not approve the AMOD.

SUBJECT: AWARD OF CONTRACT – MAIN STREET AND PLANO STREET BUS TURNOUTS

SOURCE: Public Works Department - Engineering Division

COMMENT: On September 4, 2013, staff received five (5) bids for the Main Street and Plano Street Bus Turnouts. The Main Street Bus Turnout project will improve transit accessibility to a portion of Route 4 to Porterville College along South Main Street and will be located north of College Avenue on the east side of South Main Street.

The Plano Street Bus Turnout project will improve transit accessibility to a portion of Routes 3 and 9 to Vallarta Shopping Center along S. Plano Street and will be located south of Olive Avenue on the west side of South Plano Street. The bus turnout projects include removal of existing concrete improvements and installation of new concrete improvements allowing a bus to completely pull out of the travel way to access the bus stop location. Concrete pads with bus shelters, provided by the City and installed by the contractor, will be adjacent to the back of new sidewalk.

Installation of sidewalk between the eastbound Main Street/State Route 190 off ramp and Porterville College is also a part of the Main Street Bus Turnout project. There is approximately 80 lineal feet of missing sidewalk in the vicinity of the off-ramp that has been missing for years. The number of pedestrians in the area necessitates completion of the walking path from the downtown area to Porterville College.

Funding for this project is from a Federal Transportation Administration Grant (FTA) with a twenty percent (20%) local match. Local Transportation Funds (LTF) is the revenue source for the local share, all of which was approved in the 2013/2014 Annual Budget.

The bids are as follows:

<tbody>
<tr>
<td>1. Hobbs Construction Inc. Fresno, CA</td>

Item No.
4. Lockwood General Engineering Inc. $126,274.50
Visalia, CA

5. Bill Nelson General Engineering Inc. $127,471.00
Fresno, CA

Staff has found the low bid acceptable and in compliance with the specification requirements for this federally funded project. The Engineer’s Estimate of Probable Cost for construction is $95,894. The low bid for the project is 12.3% above the Engineer’s Estimate. Pursuant to current policy adopted by City Council during the September 4, 2012, meeting, the bid would normally be rejected. However, staff respectfully asks that the City Council consider making an exception to the policy. The low bid exceeds the 10% City Council “bid ceiling” policy by $2,192.60.

Staff estimates the cost to revise the construction documents and seek new bids to be more than $2,500. The initial bidding publication costs for this project was $1,336.69. Further, the City is faced with time constraints associated with the Federal Transportation Authority Grant and a bidding environment that has become less favorable. Staff has noticed that bid prices are on the rise and will make the appropriate estimating adjustment on all future construction projects.

Should City Council choose to award the contract, an additional $10,767.60 is required for the construction contingency (10%) and an additional $10,767.60 is required for construction management, quality control and inspection services (10%) for a total estimated project cost of $129,211.20.

RECOMMENDATION: That City Council:

1. Award the Main Street and Plano Street Bus Turnouts Project to Hobbs Construction in the amount of $107,676.00; and

2. Authorize a 10% contingency to cover unforeseen construction costs and a 10% retainer to cover construction management, quality control and inspection services

SUBJECT: APPROVAL TO PURCHASE RANGE TARGET SYSTEM

SOURCE: Police Department

COMMENT: During the April 2, 2013, City Council meeting, Council authorized the acceptance of $18,000 in grant funds from the National Rifle Association for purchase of a shooting range target system. Since that time, department staff has been researching target systems in order to identify the minimum standards for a system that would be a crucial component to a comprehensive training program that helps to develop officer’s decision-making and reactionary skills with regard to the use of a firearm.

The minimum standards required installation of a ten-lane reactive target system that is capable of being programmed in a variety of ways. Three companies were identified that were capable of providing the system and they were provided with the minimum specifications. Three bids from those companies were obtained:

- Advanced Training Systems - $17,950
- SPT Targets - $23,950
- Action Target - $30,750

The Police Department found the lowest bid to be acceptable and requests Council approval to purchase the Advanced Training Systems target system as specified in the attached quote and enter into direct negotiations with the vendor of the item in accordance with the City’s Purchasing Policy & Procedure Manual, as amended by Resolution No. 122-87, adopted by Council on October 10, 1987.

RECOMMENDATION: That the City Council:

1) Authorize the purchase and installation of the target system from Advanced Training System; and
2) Authorize payment upon satisfactory delivery and installation of the equipment.

SUBJECT: REVIEW OF LOCAL EMERGENCY STATUS

SOURCE: Administration

COMMENT: In accordance with the City Council's Resolution of Local Emergency adopted on December 21, 2010, and pursuant to Article 14, Section 8630 of the California Emergency Services Act, the Council must review the status of its local emergency at every regularly scheduled meeting and make a determination whether to continue or terminate the local emergency declaration.

Since its last review on September 3, 2013, City staff has continued its coordination with both State and Federal representatives in having made claims for reimbursement for public areas reported as suffering flood damage. An estimated total of $361,750 in damage repair projects were defined and accepted by both State (CEMA) and Federal (FEMA) emergency agencies, which after final FEMA administrative review, a total of approximately $270,000 was approved. Although all repair projects were originally to be completed by no later than July 2012, the City received a one (1)-year extension to July 2013.

At its meeting on October 16, 2012, the Council awarded a contract in the amount of $95,391.71 to Greg Bartlett Construction (Porterville), beginning CEMA repairs to Plano Street (south of Thurman Avenue), El Granito Street (near Zalud Park), E. Grand Avenue (at Henrahan Street), and W. Grand Avenue (at Hawaii Street). At its meeting on December 18, 2012, the Council accepted the completion of these identified CEMA repairs, including $90,295.53 in final construction costs.

At its meeting on March 5, 2013, the Council awarded a contract in the amount of $29,997.25, also to Greg Bartlett Construction (Porterville), for CEMA repairs of West Street and related storm drain improvements between Scranton and Tea Pot Dome Avenues. At its meeting on May 7, 2013, the Council accepted the completion of these identified CEMA repairs, including $19,392.25 in final construction costs.

At its meeting on April 2, 2013, the Council awarded a contract in the amount of $138,350 to Intermountain Slurry Seal, Inc. (Reno, Nevada), for the CEMA repair of Henderson Avenue between Patsy and Balmoral Streets. At its meeting on August 6, 2013, the Council accepted the completion of the identified CEMA repairs, which staff continues to work with the State to finalize repair reimbursements.

Item No. 8
RECOMMENDATION: That the Council:
1. Receive the status report and review of the designated local emergency; and
2. Pursuant to the requirements of Article 14, Section 8630 of the California Emergency Services Act, determine that a need exists to continue said local emergency designation.

To Whom It May Concern,

I would like to take an opportunity to offer a formal recommendation for Brenda Carrasco. I am an art teacher at Monache High School in Porterville, which is the same school Brenda attends. I am and have been her primary art teacher and mentor at Monache High School. I am very aware of her work ethics and her workability with other students. Her work ethics are incredible and people enjoy working with her because she is honest and has positive attitude towards her peers. She has been extremely successful with her artwork and her skills are growing exponentially. Her enthusiasm, energy, and passion for art is greatly shown in her artwork. Brenda has been a very welcomed addition to my class and our MTA (Multimedia and Technology Academy) program at Monache High School.

Brenda is an excellent student, but what I am most proud of is, Brenda is a wonderful and exuberant young person. She is a young person with great integrity and high expectations. I know she will be a great addition to your Arts Commission. Brenda is reliable, dedicated and eternally upbeat. I truly believe she will become a great mentor and a positive voice for many younger artists in the Porterville community.

Brenda Carrasco has my highest recommendation, and I am happy to furnish more details if you would like additional information.

Sincerely,

SUBJECT: PROVISION OF SENIOR CITIZEN PROGRAMS AND SERVICES

SOURCE: Administration

COMMENT: At its meeting on September 3, 2013, the City Council considered the provision of senior citizen programs and services in the community. Having identified the consolidation and administration of such programs and services at the Santa Fe Depot as a priority, the City Council directed that representatives for the Kings/Tulare Agency on Aging (K/T AAA) and the Greater Porterville Senior Citizens' Council (Senior Council) meet to formulate a collaborative agreement for the use of the Santa Fe Depot facility, with a follow-up report to be provided to the City Council at this meeting.

As directed by the City Council, representatives for K/T AAA and the Senior Council met on Wednesday, September 11th. According to the representatives, the meeting was not tremendously productive, with the parties agreeing somewhat in concept to K/T AAA's use of the Santa Fe Depot during the week (Monday – Friday, 8:00 A.M. – 5:00 P.M.), with the Senior Council wanting to limit the facility's use by K/T AAA after 5:00 P.M. and during the weekends. Senior Council also proposed receiving $650/month in rent from K/T AAA for the use of the facility, in addition to K/T AAA paying an undetermined share of the facility's utilities. Senior Council provided support for its proposal given that K/T AAA is currently paying $1,000/month in rent to Comision Honorifica Mexicana Americana (CHMA) for the use of the Community Center, though not currently paying any additional utility costs.

According to K/T AAA representatives, the K/T AAA Board of Directors would prefer that their programs be delivered at the Santa Fe Depot in a consolidated service model for the benefit of the community's senior citizens, though recognizing that the City Council must be in agreement. If such an arrangement is not agreed to, then the continued provision of its programs and services at the CHMA Community Center is acceptable. CHMA is apparently agreeable to continue to extend its "month-to-month" lease agreement with K/T AAA beyond this month (September) while it discusses relocating to the Santa Fe Depot, and is also open to negotiating a longer-term lease, though with an increased lease amount.

C/M

Item No. II
City Council also discussed, as an alternative to a collaborative agreement between K/T AAA and Senior Council in the use of the Santa Fe Depot facility, the City becoming the lead agency in the administration and scheduling of programs and services at the facility. Such a delivery model would require that the City issue a ninety (90) day Notice of Termination of its sub-lease agreement with the Senior Council.

RECOMMENDATION: That the City Council consider and provide direction on the provision of programs and services for the benefit of the community's senior citizens.

ATTACHMENT: September 3rd City Council Staff Report
SUBJECT: PROVISION OF SENIOR CITIZEN PROGRAMS AND SERVICES

SOURCE: Administration

COMMENT: At its meeting on June 18, 2013, the City Council was scheduled to consider a License Agreement between the Greater Porterville Senior Citizens’ Council (Senior Council), Community Services Employment Training (CSET), and the City of Porterville for the joint use of the Santa Fe Depot facility. CSET was recently contracted by the Kings/Tulare Agency on Aging (K/T AAA) to serve as the provider of local community-based programs and services for senior citizens, including: counseling, in-home and dining centers, educational and employment opportunities, health promotions, legal assistance, and money management. Through a sub-lease agreement with Comision Honorifica Mexicana Americana (CHMA) since 2007, K/T AAA has locally administered its programs and services at the CHMA Community Center. Prior to 2007, K/T AAA programs and services were administered under the Senior Council at the Santa Fe Depot. Due to concerns expressed by patrons of the programs and services provided by K/T AAA in transitioning from the CHMA Community Center to the Santa Fe Depot, K/T AAA requested that the City Council not consider the proposed License Agreement, and allow additional time for K/T AAA (and CSET) to address their patron's concerns.

Since 1984, the City has held a Lease Agreement with the Housing Authority of the County of Tulare for the City’s use of the Santa Fe Depot, to provide general community-based activities. Concurrently, the City has held a Sub-Lease Agreement of the facility with the Senior Council, for the purpose of conducting activities for senior citizens. In 2009, the City entered into a new twenty (20)-year Lease Agreement, with a City-option for an additional ten (10)-year term. In 2010, the City entered into an extension of its Agreement with Senior Council for the remainder of the calendar year, with no current successor Agreement. Pursuant to the effective Sub-Lease Agreement, either party may terminate the lease with ninety (90) days written notice to the other party.

In 2010, the City entered into a Memorandum of Understanding (MOU) with K/T AAA to facilitate the locally-administered programs and services for senior citizens, especially the in-home and dining center. Having expired July 2013, the draft License Agreement with CSET and Senior Council was intended to serve as a major component of the successor MOU.
City representatives have attended recent outreach meetings hosted by K/T AAA and CSET for senior citizens at both the CHMA Community Center and Santa Fe Depot. The purpose of the outreach meetings was to receive input and feedback from senior citizens on their desires and interests for programs and services. Generally, the program and service desires and interests expressed by the meeting attendees involved increasing the available space and hours of operation.

Beginning in 2012, K/T AAA approached the City regarding potentially moving their programs and services from the CHMA Community Center due to available space and hour limitations, and the prospect of locating at the Santa Fe Depot was discussed given the available space and hours of the facility. With a broader objective and interest of consolidating senior citizen programs and services in a single facility, and after several meetings of the parties, the CSET/Senior Council License Agreement was originally drafted. With CSET as the contracted operator, additional programs and services are available to senior citizens than those customarily offered by K/T AAA, including: energy efficiency and weatherization residential upgrades, income tax preparation, and utility assistance.

Members of the City Council have expressed their interests in having the City take a more active role in support of the community’s senior citizens, as well as enhancing the programs and services offered. The concept of establishing a “Senior Commission” to advise the City Council on senior citizen affairs and concerns has also been discussed, similar in purpose and scope to the City’s other established Commissions. CSET has also expressed its interest to partner with the City and have an active role in coordinating programs and services for senior citizens.

Absent a long-term Sub-Lease Agreement with the City for the use of the Santa Fe Depot, and given K/T AAA and CSET’s interest to transition their programs and services to the Santa Fe Depot, the Senior Council has discussed their primary interest that the current member organizations currently utilizing the Depot for meeting (i.e. Rollin’ Relics Car Club) maintain the ability to regularly meet, which should be accommodated given an interest to facilitate an active and vibrant center for senior citizens.

RECOMMENDATION: That the City Council consider and provide direction on the provision of programs and services for the benefit of the community’s senior citizens, in addition to the City’s role in providing and/or supporting such, as well as providing direction on where such programs and services would be accessed.

SUCCESSOR AGENCY AGENDA: SEPTEMBER 17, 2013

SCHEDULED MATTER

SUBJECT: SUCCESSOR AGENCY REVIEW AND APPROVAL OF PROPOSED ADMINISTRATIVE BUDGET

SOURCE: COMMUNITY DEVELOPMENT DEPARTMENT

COMMENT: Health & Safety Code section 34177(j), as modified by AB 1484, requires the Successor Agency to the Porterville Redevelopment Agency (referred to herein as “Successor Agency”) to prepare a proposed “Administrative Budget” covering the upcoming six-month fiscal period, which will be January 1, 2014, through June 30, 2014, (i.e., concurrent with the Recognized Obligation Payment Schedule 13-14 B ) and submit it to the Oversight Board for approval. The California Department of Finance (DOF) implemented a new ROPS naming convention to be associated with the fiscal year that the ROPS is related to, and the time period (A-the first half of the fiscal year, and B-the second half of the fiscal year). To date, the Successor Agency previously prepared and approved, and the Oversight Board reviewed and approved, Administrative Budgets through December 31, 2013.

Pursuant to the Dissolution Act (Parts 1.8 and 1.85 of Division 24 of the Health & Safety Code), each ROPS includes a line item for the Successor Agency’s Administrative Budget for the applicable period, and AB 1484, which amended the Dissolution Act on June 27, 2012, requires that the ROPS 13-14 B for the period January 1, 2014, to June 30, 2014, shall be approved by the Successor Agency and Oversight Board and submitted to the State Department of Finance (“DOF”) by October 1, 2013.

The Administrative Budget is required to set forth all of the following: (1) Estimated amounts for Successor Agency administrative costs for the upcoming six-month fiscal period; (2) Proposed sources of payment for the costs identified in paragraph (1); and (3) Proposals for arrangements for administrative and operations services provided by a city, county, city and county, or other entity.

The DOF issued a Finding of Completion in August 2013, and staff has begun preparing the Property Management Plan, which would allow for the expenditures of bond proceeds for the Porterville Hotel project and the construction of the parking lot on Hockett Street. ABX 1 26 specifies that successor agencies may spend up to $250,000 of the former tax increment revenues for annual administrative expenses.
Under Section 34177(k) of the Dissolution Act, upon approval of the Administrative Budget by the Oversight Board, the Successor Agency will provide to the County of Tulare Auditor Controller the administrative cost estimates from the approved Administrative Budget that are to be paid from property tax revenues deposited into the Redevelopment Property Tax Trust Fund (RPTTF) for such period.

Pursuant to Section 34179(h) of the Dissolution Act, as amended by AB 1484, written notice and information about all actions taken by the Oversight Board must be provided to the California Department of Finance ("DOF") by electronic means and in a manner of DOF's choosing.

An Oversight Board’s action shall become effective five (5) business days after notice in the manner specified by the DOF, unless the DOF requests a review; provided, however, pursuant to Section 34177(m) as to each ROPS submitted to the DOF of which an Administrative Budget is a part, the DOF shall make its determination of the enforceable obligations and the amounts and funding sources of the enforceable obligations on each ROPS submitted no later than 45 days after submittal.

RECOMMENDATION: That the Successor Agency:

1. Approve the Successor Agency’s proposed Administrative Budget, Exhibit A, for the period of January 1, 2014, through June 30, 2014, prepared pursuant to Health & Safety Code section 34177(j); and

2. Adopt a Resolution approving the Administrative Budget and directing Successor Agency staff to submit the Administrative Budget to the Oversight Board.

ATTACHMENTS:

1. Proposed Administrative Budget

2. A Resolution of the Successor Agency to the Porterville Redevelopment Agency Approving the Administrative Budget Pursuant to Health & Safety Code Section 34177(j) and Directing Transmittal of the Administrative Budget to the Oversight Board

(Note that the action of the Oversight Board to approve the ROPS 13-14 B shall not become effective for 45 days after the ROPS has been submitted to the DOF).

SUCCESSOR AGENCY AGENDA: SEPTEMBER 17, 2013

SCHEDULED MATTER

SUBJECT: REVIEW AND APPROVAL OF DRAFT RECOGNIZED OBLIGATION PAYMENT SCHEDULE (ROPS)

SOURCE: COMMUNITY DEVELOPMENT DEPARTMENT

COMMENT: As of February 1, 2012, the Porterville Redevelopment Agency ("Agency") was dissolved and the City Council now acts and serves as the governing body of the "Successor Agency," a separate legal entity from the City, pursuant to Parts 1.8 and 1.85 of Division 24 of the Health & Safety Code ("Dissolution Act"). The Dissolution Act requires the Successor Agency to administer the enforceable obligations of the former Agency and otherwise unwind the Agency's affairs subject, where applicable, to the review and approval by the seven-member Oversight Board.

On June 27, 2012, the Legislature passed and the Governor signed AB 1484. The primary purpose of AB 1484 is to make technical and substantive amendments to the Dissolution Act. Included in AB 1484 was a change to the schedule for adoption of a Recognized Obligation Payment Schedule for the period ending June 30, 2013, and all subsequent ROPS. The California Department of Finance (DOF) implemented a new ROPS naming convention to be associated with the fiscal year that the ROPS is related to and the time period (A-the first half of the fiscal year and B-the second half of the fiscal year). Under AB 1484, a Successor Agency and its Oversight Board are required to submit the ROPS 13-14 B by October 1, 2013, for the December 1st distribution of the semianual Redevelopment Property Tax Trust Fund (RPTTF) distribution.

Pursuant to Section 34177(l)(1) of the Dissolution Act, for each recognized obligation the ROPS 13-14 B shall identify one or more of the following sources of payment:

(A) Low and Moderate Income Housing Fund.

(B) Bond proceeds.

(C) Reserve balances.

(D) Administrative cost allowance.

(E) The RPTTF, but only to the extent no other funding source is available or when payment from property tax revenues is required by an enforceable obligation.

APPROPRIATED/FUNDED CM ITEM NO. SA-2
(F) Other revenue sources, including rents, concessions, asset sale proceeds, interest earnings, and any other revenues derived from the former redevelopment agency, as approved by the Oversight Board.

The draft ROPS 13-14 B is included as Attachment No. 1 to this agenda report and includes comparable listings of Enforceable Obligations as were set forth in the DOF-approved first, second and third ROPS and subsequent ROPS 13-14 A. The DOF approved the Finding of Completion for the Successor Agency. With this approval the Successor Agency may place loan agreements between the former redevelopment agency and the City on the ROPS as an enforceable obligation pursuant to the criteria in Health and Safety code section 34191.4. The Finding of Completion also allows the Successor Agency to utilize remaining bond proceeds. Staff has added the Porterville Hotel Project to the ROPS 13-14 B.

Section 34177(l)(2)(B) of the Dissolution Act requires the Successor Agency to submit the ROPS 13-14 B to the Oversight Board for approval and, concurrently with the submission of the ROPS to the Oversight Board, the Successor Agency is required to transmit the ROPS 13-14 B to the County Administrative Officer, the County Auditor-Controller, and the DOF. Section 34177(l)(2)(C) requires that, once the Oversight Board has approved the ROPS 13-14 B, the ROPS 13-14 B be sent to the County Auditor-Controller, the State Controller’s Office, the DOF, and that the ROPS 13-14 B be posted on the Successor Agency’s website.

Section 34177(m) of the Dissolution Act requires the Successor Agency to complete the Third ROPS and each subsequent ROPS in the manner directed by the DOF. The DOF provided a pre-populated ROPS template and instructions for the ROPS 13-14 B. As the format is new and there have been issues with the provided template, staff recommends that the Successor Agency review and approve the ROPS 13-14 B as provided and authorize the Successor Agency’s Community Development Director and/or the Finance Director or their authorized designees to also augment, modify, add or revise the ROPS 13-14 B as may be necessary to comply with requirements imposed by the DOF.

RECOMMENDATION: That the Successor Agency:

1. Approve the Recognized Obligation Payment Schedule for the second half of fiscal year 2013-14 (ROPS 13-14 B) provided that should any modification be required to the ROPS 13-14 B by the DOF, the Community Development Director and/or the Finance Director or their authorized designees shall be authorized to make any augmentation, modification, additions or revisions as may be necessary to conform the ROPS 13-14 B to requirements imposed by the DOF; and
2. Adopt a Resolution approving the ROPS 13-14 B for the period of January 31, 2014, through June 30, 2014, and directing Successor Agency staff to submit the ROPS 13-14 B to the Oversight Board.

ATTACHMENT:
1. Recognized Obligation Payment Schedule for the period of January 1, 2014 through June 30, 2014,
2. A Resolution of the Successor Agency to the Porterville Redevelopment Agency Approving the Recognized Obligation Payment Schedule (ROPS 13-14 B) for the Period January 1, 2014, to June 30, 2014, Subject to Submittal to, and Review and Approval by, the Oversight Board and California Department of Finance pursuant to California Health & Safety Code, Division 24, Part 1.85, as amended by Assembly Bill 1484; and Authorizing Posting and Transmittal Thereof.

(Note that the action of the Oversight Board to approve the ROPS 13-14 B shall not become effective for 45 days after the ROPS has been submitted to the DOF).

RESOLUTION NO. _____

A RESOLUTION OF THE SUCCESSION AGENCY TO THE PORTERVILLE REDEVELOPMENT AGENCY APPROVING THE RECOGNIZED OBLIGATION PAYMENT SCHEDULE (ROPS 13-14 B) FOR THE PERIOD JANUARY 1, 2014, TO JUNE 30, 2014, SUBJECT TO SUBMITTAL TO, AND REVIEW AND APPROVAL BY, THE OVERSIGHT BOARD AND CALIFORNIA DEPARTMENT OF FINANCE PURSUANT TO CALIFORNIA HEALTH & SAFETY CODE, DIVISION 24, PART 1.85, AS AMENDED BY ASSEMBLY BILL 1484; AND AUTHORIZING POSTING AND TRANSMITTAL THEREOF

WHEREAS, the Porterville Redevelopment Agency (“Agency”) was established as a redevelopment agency, organized and existing under the California Community Redevelopment Law, Health & Safety Code Section 33000, et seq. (“CRL”), and was authorized to transact business and exercise powers of a redevelopment agency pursuant to action of the City Council of the City of Porterville (“City”); and

WHEREAS, Assembly Bill x1 26 added Parts 1.8 and 1.85 to Division 24 of the California Health & Safety Code (“Dissolution Act”), pursuant to which (1) all redevelopment agencies in California were dissolved on February 1, 2012 and (2) successor agencies were formed for the purpose of winding down the affairs of the former redevelopment agencies; and

WHEREAS, the Agency is now a dissolved redevelopment agency pursuant to the Dissolution Act; and

WHEREAS, by a resolution considered and approved by the City Council of the City at an open public meeting, the City Council chose to serve as the governing body of the Successor Agency to the dissolved Agency, a separate legal entity, under the Dissolution Act; and

WHEREAS, as of and on and after February 1, 2012, the City serves and acts as the Successor Agency and the City will perform the functions of the Successor Agency under the Dissolution Act to administer the enforceable obligations of the former Agency and otherwise unwind the Agency’s affairs, all subject to the review and approval by a seven-member Oversight Board (“Oversight Board”); and

WHEREAS, pursuant to Section 34171(h) of the Dissolution Act, a “Recognized Obligation Payment Schedule” means the document setting forth the minimum payment amounts and due dates of payments required by enforceable obligations for each six-month fiscal period as provided in subdivisions (l) and (m) of Section 34177 of the Dissolution Act; and

WHEREAS, pursuant to subdivisions (l) and (m) of Section 34177 of the Dissolution Act, the City, acting as Successor Agency to the Agency, has prepared its Recognized Obligation Payment Schedule (“ROPS”) for the period covering January 1, 2014 through June 30, 2014, in the form attached to this Resolution as Exhibit A and incorporated herein by this reference; and

WHEREAS, pursuant to Section 34191.4 of the Health and Safety Code that with the Department of Finance’s approval of the Finding of Completion, the Successor Agency has placed loan agreements between the former redevelopment agency and the City on the ROPS as an enforceable obligation pursuant to the criteria in Health and Safety code section 34191.4 as ATTACHMENT ITEM NO. 2
well as allowing the Successor Agency to utilize remaining bond proceeds for projects; therefore, the Porterville Hotel Project has been added to the ROPS 13-14 B.

WHEREAS, by this Resolution, pursuant to Section 34177(l)(2)(B) of the Dissolution Act, as amended by AB 1484, the City Council, serving as and on behalf of the Successor Agency, approves the ROPS and authorizes the transmittal of the ROPS to the Oversight Board and concurrently to the County Administrative Officer, the County Auditor-Controller, and the State Department of Finance; and

WHEREAS, pursuant to Section 34177(l)(2)(C) of the Dissolution Act, a copy of the ROPS shall be submitted to the County Auditor-Controller, the State Controller’s Office, the State Department of Finance and shall be posted on the City’s/Successor Agency’s website promptly upon approval thereof by the Oversight Board.

NOW, THEREFORE, BE IT RESOLVED BY THE SUCCESSOR AGENCY TO THE PORTERVILLE REDEVELOPMENT AGENCY:

1. The above recitals are true and correct, are a substantive part of this Resolution, and are adopted as the findings of the Successor Agency.

2. The Successor Agency hereby approves the ROPS in the format provided by the State Department of Finance attached hereto as Exhibit A.

3. The City Manager or his authorized designees on behalf of the Successor Agency shall cause the ROPS to be transmitted concurrently to the Oversight Board, the County Administrative Officer, the County Auditor-Controller, and the State Department of Finance.

4. The City Manager or his authorized designees on behalf of the Successor Agency shall, upon approval of the ROPS by the Oversight Board, transmit the approved ROPS to the County Auditor Controller, the State Controller’s Office, and the State Department of Finance, and shall cause the approved ROPS to be posted on the City’s website.

5. This Resolution shall be effective immediately upon adoption.

6. The City Clerk on behalf of the Successor Agency shall certify to the adoption of this Resolution.

PASSED, APPROVED AND ADOPTED this 17th day of September, 2013.
