COUNCIL AGENDA: DECEMBER 17, 2013

SUBJECT: AUTHORIZATION TO PURCHASE ONE (1) HYDRAULIC DUMP TRAILER

SOURCE: Finance Department – Purchasing Division

COMMENT: The Parks and Leisure Services Department has been using a 1996 trailer to haul temporary fencing, dirt, bark, barricades, tree branches, and miscellaneous equipment. The trailer is now 17 years old and needs to be replaced. Staff has assessed the needs of the department and requests approval from Council to purchase a new hydraulic dump trailer. The new trailer will be slightly larger than the old one, with a higher GVW (gross vehicle weight) rating, capable of larger and heavier loads. The hydraulic portion will ease the unloading of certain types of loads. The front of the box will rise hydraulically and, with a dual purpose rear gate, allow the spreading of material while unloading. The new trailer will also include ramps to load equipment into the cargo area of the trailer.

Staff has obtained the following quotes for a hydraulic dump trailer with the required specifications:

<table>
<thead>
<tr>
<th>Vendor</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Jacobsen Trailer Inc</td>
<td>$8,032.03</td>
</tr>
<tr>

<td></td>
</tr>
<tr>
<td>Bonander Auto, Truck &amp; Trailer</td>
<td>$8,910.35</td>
</tr>
<tr>
<td>Group, Bakersfield, CA</td>
<td></td>
</tr>
</tbody>
</table>

Staff reviewed the quotes and found the lowest quote responsive to the specifications. The trailer is listed in the proposed equipment replacement schedule approved by Council with the FY 2013-2014 budget. Funds for the purchase of the hydraulic dump trailer are available in the Parks and Leisure Services Department Equipment Replacement Funds.

RECOMMENDATION: That the City Council authorize the purchase of a hydraulic dump trailer from Jacobsen Trailer Inc and authorize payment for said equipment upon satisfactory delivery.
