SUBJECT: CONTINUED REVIEW OF 2013 CHARTER REVIEW COMMITTEE’S PROPOSED REVISIONS TO THE CITY OF PORTERVILLE CHARTER, AND CONSIDERATION OF ADDITIONAL REVISIONS

SOURCE: City Attorney’s Office

COMMENT: Per direction from the City Council at the January 7, 2014 City Council Meeting, attached is a DRAFT Resolution setting forth potential amendments and ballot measure language related to changes proposed by the 2013 Charter Review Committee. This is simply a draft and shows one way in which the amendments could be combined/separated for the purposes of the ballot. This office still needs verify to that each ballot measure as currently written would not exceed the maximum words allowed. Also attached is a summary of the discussion by the Council and staff of the proposed amendments at the January 7th meeting, the redline copy of the proposed Charter approved by the Committee, and sample language modifying Charter Section 58, related to the City’s pension system to reflect potential changes to the California Constitution.

Additionally, the City has received inquiries concerning the extent that Council Members may participate in ballot measure campaigns. Attached is information outlining the rules, generally, and City employees must follow these rules as well.

Below for your reference are the brief summaries of each amended section provided at the January 7th meeting.

Section 4.1: Makes explicit the ability of the City to enter into agreements with special districts and Indian Tribes concerning the performance of any of its functions.

Section 5: Changes general municipal election to coincide with general election for federal offices. This amendment is tied with specific amendments to Section 9.

Section 8: The changes made are purely housekeeping, changing “councilmen” to “council members.”

Section 9: A variety of changes were made to this section, and this section covers several distinct issues.

(A) Second paragraph - proposed amendments have been made making the general municipal election consistent with the federal general election. This section is directly tied to the amendment to Section 5 concerning the same issue.
(B) Fifth paragraph – Housekeeping issue. The proposed amendment clarifies
the reference the reorganization of the Council shall occur after the time that the
new council members are able to be installed (rather than purporting to require
that this occur at the meeting immediately following the election).

(C) Fifth paragraph – Substantive issue. This paragraph also contains
proposed amendments concerning the reorganization of the Council and removal
of the Mayor at any time other than the meeting following installment of the new
members. The amendment would require a 4/5 vote of the council to remove the
Mayor at any other time. The Committee/Council may want to consider
recommending/proposing this as a separate amendment on the ballot, if
approved by the Council.

(D) Sixth paragraph – Housekeeping issue. These amendments clarify that new
members will be installed within a certain period of time if the City is completing
its own canvass of votes, but that in the event (as is the usual custom) of a
consolidated election, the installation will occur at the next regularly scheduled
meeting (or a special meeting called for that purpose) following the presentation
of the canvass of the returns. The current section does not properly account for
the amount of time this generally takes.

Section 10: The proposed amendment to this section (in paragraph two) would
allow for the City Council to hold its meetings at other city-owned facilities other
than City Hall.

Section 12: Housekeeping items. The proposed amendment in the second
paragraph would clarify that the ayes and noes of all council actions shall be
recorded. The proposed amendment to the seventh paragraph clarifies that a
summary in lieu of the full text of an ordinance may be published. The proposed
amendment in the ninth paragraph would clarify that the establishment (rather
than imposition) of a penalty must be by ordinance.

Section 14: Housekeeping item. Eliminates reference to “City Treasurer”
(changing it to “City Manager or his/her designee”) since the Charter section
establishing a City Treasurer was repealed in 1971.

Section 16: The proposed amendment in the second paragraph adds that a
council member’s (legislative officer’s) office becomes vacant if he/she fails to
attend three (3) consecutive regular city council meetings unless prevented from
attending by sickness (but in no case for a period longer than 90 days).

Section 18: The proposed amendment to the third paragraph provides that the
City Manager may be permitted to receive severance pay in an amount not to
exceed the equivalent of 12 months’ salary, subject however to the restrictions
set forth by State law (which currently only permits appointed officials to receive a
maximum of 18 months’ salary or an amount equal to their monthly salary
multiplied by the number of months remaining on their contract, whichever is
less.)
Section 21: Housekeeping item. While there are still some jurisdictions that argue that a residency requirement can be legally enforced, the general consensus among cities is that this requirement is unenforceable. The proposed amendment would eliminate the residency requirement.

Section 24: Proposed amendment to third paragraph changes financial statement provision to the council requirement to at least quarterly, instead of monthly. This section is tied to Section 49 below.

Section 40: Housekeeping item. Maintains section to the extent allowed by law.

Section 45: Housekeeping item. Clarifies that the section is cumulative to any rights and remedies the City may have under the general laws relating to the enforcement and collection of taxes and assessments.

Section 48: The proposed amendments would provide that the Council generally may authorize expenditures by the City by resolution and majority vote (rather than by ordinance by 4/5 vote), and an expenditure limit (wherein anything under the limit would not need council approval) may be established after each general municipal election in the same manner. A resolution and 4/5 vote would be required concerning decisions to incur indebtedness, or the approval of any indebtedness limit.

Section 49: Would reflect the proposed change made to Section 24 that quarterly financial reports shall be required.

Section 59: Housekeeping item. Clarifies that the Council shall contract with (rather than employ) a certified public accountant regarding the annual audit.

Section 61: There are proposed housekeeping/legal recommendations as well as a proposal to raise the bid limit from $5,000 to $50,000. It is recommended that raising of the bid limit be proposed to the voters in a separate ballot measure. The other proposed changes would clarify that the City has the right to perform any public project or make any repair or undertake any improvement using its own forces, regardless of cost, and that it will only be required to bid out work when it determines that it will contract out the work, and the estimate for the work exceeds $5,000 (or in the alternate measure, $50,000).

Section 62: Housekeeping item. Clarifies the projects the City may undertake and levy assessments for.

Section 67: The proposed amendment completely revises the current language, and more explicitly states what types of administrative interference are prohibited as between the Council Members and staff. The proposed amendment also adds explicit penalties which include forfeiture of office if criminally convicted of a violation of the Section.
Section 67.1: Housekeeping item. The remainder of current section 67 related to political activities of City officers and employees has been moved to this new section.

Section 68: Proposed amendment provides that the city leases have a clause that shall allow the city council to terminate it with written advance notice equivalent to either 30 days or a maximum of five percent (5%) of the total lease term (excluding any stated option periods). A notice period would not be required to month-to-month leases. The current section requires a notice period of three months, regardless of the term.

Section 74: This is a proposed new section, establishing a penalty for violations of the Charter, where no other penalty is otherwise specified. The section provides for penalties as generally provided for in the City's Municipal Code.

As discussed at the prior meeting, this office and staff request that the City Council discuss and consider these and any other proposed revisions to the Charter. The final Resolution must be approved at the next regular City Council meeting to meet the deadline provided by the Tulare County Elections Office.

RECOMMENDATION: That the City Council review and consider the 2013 Charter Review Committee proposed revisions, and any other revisions, to the City of Porterville Charter, and the ballot measure language.

The council may also prescribe the character of materials and methods of construction of buildings erected within any zone area, and may establish setback lines as it may consider necessary and proper.

A violation of any provision of this Charter shall be a misdemeanor with maximum fines and imprisonment as allowed by law, except that such violation may be prosecuted as an infraction, at the discretion of the City Council.

Any violation of this Charter may be prosecuted in the name of the People of the State of California or may be redressed by the City through any legal or equitable remedies; including but not limited to civil action and/or injunction, or administrative citation in accordance with adopted City ordinances. To the fullest extent allowed by law, civil remedies may be utilized in addition to or as an alternative to criminal enforcement.

This section is cumulative to any rights and remedies the City may have under the general laws relating to the enforcement and collection of taxes and assessments.
