SUBJECT: WATER CONSERVATION PHASE II, WATER SYSTEM STATUS

SOURCE: Public Works Department - Field Services Division

COMMENT: Phase II water conservation efforts for 2014 began in March. Actions were prompted by the governor on January 17, 2014, proclaiming a State of Emergency and asking all Californians to reduce water consumption by 20% and referring residents and water agencies to the Save Our Water campaign. Staff has responded by early implementation of our media campaign with newspaper, radio messages and website information provided.

An emergency regulation to increase conservation practices for all Californians became effective July 29, 2014. The new conservation regulation targets outdoor urban water use. This regulation establishes the minimum level of activity that residents, businesses and water suppliers must meet as the drought deepens and will be in effect for 270 days unless extended or repealed.

As a result of the emergency regulation, the City has implemented a Water Conservation Plan update that was approved by Council on August 19, 2014, as part of the resolution adopting the 2010 Urban Water Management Plan update. The City will continue a water awareness campaign, providing water conservation information and water saving ideas to the public. Staff also directly notifies any customer observed over using water by serving them with a door hanger advising them of our mandatory watering schedule and user restrictions.

The water system has been impacted from the lack of rain the last three years. Well yields have shown reductions in gallons per minute of about 25% compared to the 5-year average through September. Water production for the month of September 2014 continues a 17% decrease on the five-year average and a 20% decrease from 2013. Staff will continue to monitor ground water levels and production, and will inform Council if conditions change, requiring Council action.

RECOMMENDATION: Informational Item.

SUBJECT: REQUEST FOR APPROVAL TO PURCHASE A DELL POWER EDGE R720 SERVER

SOURCE: Police Department

COMMENT: The current Police Department server is nine years old and the operating system has reached the end of its lifecycle. The IT Department has informed the Police Department that it is necessary to replace the current Police server.

In addition to reaching the end of its lifecycle, the current Police server is unable to meet the new and more stringent Department of Justice compliance requirements. IT staff has identified a server that contains the latest server operating system which will allow the Police Department to meet those requirements. That server is the Dell Power Edge R720.

Police and IT staff recommend the purchase of the Dell Power Edge R720 at a cost of $17,829.68, which includes tax and shipping.

Funding for this project has been identified and is available in the Police Department's General Fund and Measure H Computer Equipment Maintenance accounts.

RECOMMENDATION: That the City Council approve the purchase of the Dell Power Edge R720 Server from Dell at a cost of $17,829.68.

SUBJECT: AUTHORIZATION TO ADVERTISE FOR BIDS – CNG FACILITY MAINTENANCE CONTRACT

SOURCE: Public Works Department – Field Services Division

COMMENT: The City of Porterville's current CNG Facility Maintenance contract is scheduled to expire on November 30, 2014. Staff is requesting authorization to advertise for maintenance of the CNG Facility.

The City operates a Compressed Natural Gas Facility for the purpose of fueling both City equipment and multiple outside agencies equipment. Maintenance of the equipment requires specialized training and certification. The City currently compresses approximately 30,000 therms per month, which equates to about 24,960 gallons of gasoline. There are two compressors which total approximately 5.5 hours of runtime per day.

The maintenance contract shall be for one year, beginning December 1, 2014, and expiring November 30, 2015. The contract may be extended for up to four additional years at the City's option. Staff estimates the yearly contract will not exceed $25,000.

Equipment Maintenance Operating is the funding source and was approved in the 2014/2015 Annual Budget.

RECOMMENDATION: That the City Council authorize Staff to advertise for bids for CNG Facility Maintenance.

P:\pubworks\General\Council\Authorization to Advertise for Bids - CNG Facility Maintenance - 2014-10-21.doc
SUBJECT: AUTHORIZATION TO NEGOTIATE A CONTRACT – BIOLOGICAL ODOR CONTROL SYSTEM PROJECT

SOURCE: Public Works Department – Field Services Division/WWTF

COMMENT: On October 3, 2014, staff received one proposal for design, manufacture and installation of equipment to control and remove odorous compounds at the Wastewater Treatment Facility (WWTF).

The one proposal was submitted by BioAir Solutions, the leading provider of biological odor control systems. The project scope requires that BioAir design, construct and install the odor control system.

Staff respectfully asks that the Council authorize the Public Works Director to negotiate a “not to exceed” fifty thousand dollar ($50,000) design service agreement with BioAir Solutions. Once all parties agree on the content of the plans and specifications, staff will ask Council to authorize the Public Works Director to negotiate a construction contract with BioAir Solutions.

The project will be funded from the WWTF capital reserve fund.

RECOMMENDATION: That City Council:

1. Authorize the Public Works Director to negotiate a “not to exceed” $50,000 design service agreement with BioAir Solutions, LLC;

2. Prior to the start of construction, direct the Public Works Director to present final plans, specifications and an Engineer’s Estimate of Probable Construction Costs for City Council approval;

3. When the project is ready for construction, direct the Public Works Director to seek Council approval to negotiate a construction contract with BioAir Solutions, LLC;

4. Authorize the Mayor to sign all contract documents; and

5. Authorize staff to make payments up to 100% upon satisfactory completion of all design work.
SUBJECT: AWARD OF CONTRACT - CLEANING OF ANAEROBIC DIGESTERS

SOURCE: Field Services - Wastewater Treatment Facility

COMMENT: The City of Porterville Wastewater Treatment Facility's (WWTF's) most recent five-year digester cleaning contract expired in April 2014. Staff received authorization from City Council to advertise for bids on August 5, 2014, for a new five-year contract for the cleaning of four (4) anaerobic digesters.

On October 14, 2014, staff received three (3) bids for the Digester Cleaning contract. Unfortunately, one (1) bid was not in compliance with the specifications for this project and must be deemed non-responsive. The bids are as follows:

PARC Environmental
Fresno, CA
Digester #1 $31,564
Digester #2 31,564
Digester #3 32,324
Digester #4 31,856
Total $127,307

JND Thomas Company, Inc.
Riverdale, CA
Digester #1 $39,005
Digester #2 39,005
Digester #3 44,795
Digester #4 45,368
Total $168,173

Staff has found the low bid responsive.

WWTF Operating Fund is the funding source for the project and was approved in the 2014/2015 Annual Budget.

RECOMMENDATION: That the City Council:

1. Award the Digester Cleaning contract to PARC Environmental for a five-year term in the amount of $127,307; and

2. Authorize progress payments up to 100% of the contract amount.
CONSENT CALENDAR

SUBJECT: AWARD OF CONTRACT FOR THE OAK AVENUE MURAL PROJECT

SOURCE: COMMUNITY DEVELOPMENT DEPARTMENT

COMMENT: At the March 5, 2013, City Council meeting staff presented the recommendation from the Arts Commission regarding the Short-Term Work Plan. In addition to developing the Arts Commission policy and bylaws, the Short-Term Work Plan requested the authorization to mail Request for Proposals to artists for the Oak Avenue Mural Project. The mural is a component of the Oak Avenue Transportation Enhancement Project, which includes a red brick stamped concrete sidewalk pattern, street trees, benches, trash receptacles and nostalgic street lighting which matches the Main Street downtown theme. The site proposed for the mural is 134 North Main Street, along the Oak Avenue façade (Subway building).

The recommended theme of Hot Air Balloons with a patriotic flair was approved by City Council. One proposal has been received from Omni Graphics. Although only one response was received, the qualifications identified in the proposal provided confirms Omni Graphics’ eligibility, and staff requests that they be awarded the contract.

The mural will be funded through the Transportation Enhancement (TE) Grant, which the City’s Public Works Department received to improve the pedestrian corridor along Oak Avenue between the new courthouse and Main Street. The proposal amount is $4,334.64.

Negotiations of a façade easement are underway with the property owner.

RECOMMENDATION: That the City Council:

1. Award the contract for the Oak Avenue Mural Project to Omni Graphics;
2. Authorize the Mayor to sign contract documents; and
3. Authorize staff to make payments up to 100% upon satisfactory completion of tasks.

PROFESSIONAL SERVICES AGREEMENT
Graphic Design Services for
Oak Avenue Mural Project

DATE: October 21, 2014

PARTIES: City of Porterville, a California municipal corporation, hereinafter referred to as "CITY"; and Omni Graphics, hereinafter referred to as "CONTRACTOR".

RECITALS: CITY has undertaken a project on which it is seeking assistance from CONTRACTOR. Said project which will hereinafter be referred to as "project" is described as follows:

Project Name: Lead the effort and be assisted by City staff for the timely completion of mural to be installed on the Oak Avenue façade of the Subway building located at 134 N. Main Street, Porterville, CA.

Description of Project: Design mural with a “Hot Air Balloon” theme with a patriotic flair.

AGREEMENTS:

IN CONSIDERATION OF MUTUAL COVENANTS AND AGREEMENTS HEREAFTER set forth the parties hereto do contract and agree as follows:

SECTION 1. CONTRACT SERVICES: CONTRACTOR hereby agrees to provide services and materials as defined in task orders approved through the term of this contract, based on qualifications defined in Exhibit A.

SECTION 2. CONTRACT SERVICES: In consideration for said services and materials, CITY shall pay CONTRACTOR the fee stipulated in the proposal documents.

TIME OF PAYMENT: CONTRACTOR shall receive payment within 30 days of the date of project completion. (Exhibit B)

SECTION 3. COMPLETION DATE: The services to be performed by CONTRACTOR will be commenced upon execution of a given task order and all work directives shall be completed in a timely manner. This contract will be in effect for three (3) months from October 21, 2014. This contract can be extended after the expiration date, upon mutual agreement by both parties.

CONTRACTOR shall not be responsible for delays which are due to causes beyond the CONTRACTOR’S reasonable control. In the case of any such delay, the time of completion shall be extended accordingly in writing signed by both parties.
SECTION 4. FAMILIARITY WITH PROJECT: CONTRACTOR agrees that it will rely on its own findings and research to perform the services required under this agreement and will not rely solely upon opinions or representations of CITY unless CITY is the only available source of said information. CONTRACTOR shall become familiar enough with project details to independently perform its services in conformance with the normal standard of care for such projects.

SECTION 5. INDEPENDENT CONTRACTOR: It is expressly understood that CONTRACTOR is entering into this contract and will provide all services and materials required hereunder as an independent contractor and not as an employee of CITY. CONTRACTOR specifically warrants that it will have in full force and effect, valid insurance covering:

(i) Full liability under workers’ compensation laws of the State of California; and

(ii) Bodily injury and property damage insurance in an amount not less than One Million Dollars ($1,000,000) per occurrence; and

(iii) Automotive liability in an amount not less than One Million Dollars ($1,000,000) per occurrence; fully protecting CITY, its elected and appointed officers, employees, agents and assigns, against all claims arising from the negligence of CONTRACTOR and any injuries to third parties, including employees of CITY and CONTRACTOR. CONTRACTOR agrees to indemnify, defend (at CITY’S election), and hold harmless the CITY against any claims, actions or demands against CITY, and against any damages, liabilities for personal injury or death or for loss or damage to property, or any of them arising out of negligence of CONTRACTOR or any of its employees or agents.

(iv) Errors and Omissions insurance of One Million Dollars ($1,000,000) minimum per claim and aggregate. If deductible for Errors and Omissions insurance is Fifty Thousand Dollars ($50,000) or more, the City may require a Surety Bond for the deductible.

As an independent contractor, the consultant will obtain and maintain an active City business license.

SECTION 6. WORKMANSHIP AND MATERIALS: Every part of the work herein described shall be executed in a professional manner with competent, experienced personnel. Finished or unfinished material prepared under the agreement, prepared by CONTRACTOR, shall become property of CITY.

Documents, including drawings and specifications, prepared by CONTRACTOR pursuant to this agreement, are not intended or represented to be suitable for reuse by CITY or others on extensions of projects or on any other project. Any use of the completed documents for other projects and any use of incomplete documents without the specific written authorization from CONTRACTOR will be at CITY’S sole risk and without liability to CONTRACTOR. Further, any and all liability arising out of changes made to CONTRACTOR’S deliverables under this Agreement by CITY or persons other than CONTRACTOR is waived as against CONTRACTOR, and the CITY assumes full responsibility for such changes made by the CITY or its agents unless the CITY has
given CONTRACTOR prior notice and has received form CONTRACTOR written consent for such changes.

CONTRACTOR hereby warrants that any materials prepared under this agreement shall be fit for the intended use contemplated by the parties.

SECTION 7. ASSIGNMENT OF CONTRACT: It is acknowledged by the parties that CITY has entered into this contract with the express understanding that all work will be performed by CONTRACTOR or CITY approved sub-consultant. CONTRACTOR shall not, without the written consent of CITY, assign, transfer or sublet any portion or part of this work, nor assign any payments to others. Further, the principals involved and identified in the proposal are integral to the performance of the scope of services and shall not change or be replaced without first obtaining prior written approval from the City of a replacement(s) in the completion of the work effort. All sub-consultants shall be approved by the City, prior to commencement of work on any project.

SECTION 8. AFFIRMATIVE ACTION. CONTRACTOR will not discriminate against any employee or applicant for employment because of race, color, religion, gender, marital status, or national origin.

SECTION 9. CONFLICT OF INTEREST CODE: CONTRACTOR agrees to comply with the regulations of CITY'S Conflict of Interest Code. Said code is in accordance with the requirements of the Political Reform Act of 1974. The CONTRACTOR shall sign and file a City of Porterville Consultant Conflict of Interest Questionnaire with the City Clerk.

CONTRACTOR covenants that it presently has no interest, and shall not have any interest, direct or indirect, which would conflict in any manner with the performance of service required hereunder. The term "conflict" shall include, as a minimum, the definition of a "conflict of interest" under the California Fair Political Practices Act and the City of Porterville Conflict of Interest Code, as that term is applied to consultants.

SECTION 10. TERMINATION: This contract may be terminated by either party for just cause by giving thirty (30) days written notice by either party except that City may cancel contract upon five (5) days written notice in the event of nonperformance by Contractor. Nonperformance by the contractor or repeated lack of response or attention to responsibilities and/or directions and requests of City shall be considered adequate cause for termination of contract and/or withholding of funds to contractor which City must pay to third party or parties to correct deficiencies due to lack of performance as determined by City. Upon termination by CITY, CITY shall be relieved of any obligation to pay for work not completed. CONTRACTOR may be entitled to just and equitable compensation for satisfactory work completed.

SECTION 11. ENTIRE CONTRACT: It is understood and agreed that this Service Agreement represents the entire Agreement between the parties. Should it be necessary to institute legal proceedings to enforce any and all of the covenants and conditions of this Agreement, the prevailing party shall be entitled to recover attorney's fees and costs.
SECTION 12. DISPUTES; VENUE: If either party initiates an action to enforce the terms hereof or declare rights hereunder, the parties agree that the venue thereof shall be the County of Tulare, State of California. CONTRACTOR hereby waives any rights it might have to remove any such action pursuant to California Code of Civil Procedure Section 394.

In an effort to resolve any conflicts that arise during or following completion of the Contract, the CITY and the CONTRACTOR agree that all disputes between them arising out of or relating to this Agreement shall be submitted to nonbinding mediation unless the parties mutually agree otherwise.

IN WITNESS WHEREOF, the parties have executed this Service Agreement on the date and year first above written.

SUBJECT: MLB BASEBALL TOMORROW FUND GRANT AWARD

SOURCE: PARKS AND LEISURE SERVICES DEPARTMENT

COMMENT: Parks and Leisure Services staff submitted a MLB Baseball Tomorrow Fund Grant in March 2014 for amenities for the two softball diamonds at the Sports Complex. Staff recently received word that the City of Porterville has been selected as a recipient of a grant award in the amount of $13,036. The grant funds will be used for the following items: outfield fencing, fence guards, distance markers, foul poles, infield mix, dugout shade covers, breakaway bases, drinking fountain, trash cans and a field drag.

On March 18, 2014, at the City Council meeting, Council authorized use of up to $26,883 from Council Special Purposes Reserves for proposed softball amenities relating to this project. The MLB Baseball Tomorrow Fund Grant requires a minimum match of at least 50% of the total amount requested. The actual amount needed from the Special Purposes Reserves is $13,847.

The amenities to the two softball diamonds should draw tournaments to the facility, add some safety features, and enhance the overall playing experience.

RECOMMENDATION: That the City Council authorize staff to purchase softball field amenities up to $13,847 from the Special Purposes Reserves.
SUBJECT: REVIEW OF LOCAL EMERGENCY STATUS – DECEMBER 21, 2010

SOURCE: Administration

COMMENT: In accordance with the City Council’s Resolution of Local Emergency adopted on December 21, 2010, and pursuant to Article 14, Section 8630 of the California Emergency Services Act, the Council must review the status of its local emergency at every regularly scheduled meeting and make a determination whether to continue or terminate the local emergency declaration.

Since its last review on October 7, 2014, City staff has continued its coordination with both State and Federal representatives in having made claims for reimbursement for public areas reported as suffering flood damage. An estimated total of $361,750 in damage repair projects were defined and accepted by both State (CEMA) and Federal (FEMA) emergency agencies, which after final FEMA administrative review, a total of approximately $270,000 was approved. Although all repair projects were originally to be completed by no later than July 2012, the City received a one (1)-year extension to July 2013. CEMA has recently completed its audit and review of the completed City repair projects as approved by FEMA, and has officially closed the projects without modifications and/or revisions.

At its meeting on October 16, 2012, the Council awarded a contract in the amount of $95,391.71 to Greg Bartlett Construction (Porterville), beginning CEMA repairs to Plano Street (south of Thurman Avenue), El Granito Street (near Zalud Park), E. Grand Avenue (at Henrahan Street), and W. Grand Avenue (at Hawaii Street). At its meeting on December 18, 2012, the Council accepted the completion of these identified CEMA repairs, including $90,295.53 in final construction costs.

At its meeting on March 5, 2013, the Council awarded a contract in the amount of $29,997.25, also to Greg Bartlett Construction (Porterville), for CEMA repairs of West Street and related storm drain improvements between Scranton and Tea Pot Dome Avenues. At its meeting on May 7, 2013, the Council accepted the completion of these identified CEMA repairs, including $19,392.25 in final construction costs.
At its meeting on April 2, 2013, the Council awarded a contract in the amount of $138,350 to Intermountain Slurry Seal, Inc. (Reno, Nevada), for the CEMA repair of Henderson Avenue between Patsy and Balmoral Streets. At its meeting on August 6, 2013, the Council accepted the completion of the identified CEMA repairs, which staff continues to work with the State to finalize repair reimbursements.

RECOMMENDATION: That the Council:
1. Receive the status report and review of the designated local emergency; and
2. Pursuant to the requirements of Article 14, Section 8630 of the California Emergency Services Act, determine that given CEMA’s closing of the City’s repair projects, there no longer exists the need to continue said local emergency designation.

TITLE: MEDICAL CANNABIS CULTIVATION PERMIT FORMS AND FEES

SOURCE: CITY ATTORNEY/COMMUNITY DEVELOPMENT DEPARTMENT

COMMENT: On October 7, 2014, the City Council gave second reading to the draft ordinance concerning medical cannabis cultivation. The ordinance will go into effect on November 6, 2014. Implementation of the ordinance requires adoption of application forms and fees, as described in subsection J- Cultivation Permit. The ordinance is included for reference as Attachment 1.

Prior to commencing any medical cannabis cultivation, a permit must be obtained from the Community Development Director or assigned designee. Subsection J of the ordinance outlines the contents of the application, and staff has prepared an application form for use by applicants (Attachment 2). Consistent with ordinance requirements, the permit requires information regarding the property owner, the qualified patient, and all adult occupants of the residence. Further, the application requires submittal of a copy of the current valid medical recommendation or county issued medical marijuana card; a signed consent form for inspection of the cultivation area without notice; proof that the applicant and any resident has had no drug related felony convictions within the past seven years; and an indemnification agreement, which is a standard form appended to all City applications.

At time of submittal of a medical cannabis cultivation permit application, fees are due that offset costs associated with review, processing, and inspection of the permit and permitted site. Adoption of the three distinct fees proposed would allow staff to process an application at a fixed rate, accommodate households with more than one adult where additional background checks are required, and charge a re-inspection fee where the scheduled site visit required corrective actions. The application fees were calculated with input from the Police Department, Community Development Department, and the City Attorney’s Office. The proposed fees do not include costs involved with evaluation of building permits that may be associated with a proposed cultivation area. Building permit fees are adopted under separate resolution and are independent of the Medical Cannabis Cultivation Permit.

The permit fees include an application fee of $700, plus $38 per additional adult in the household, and a $50 re-inspection fee. Permit fees would be paid with each permit renewal, which is to be every two years. The costs associated with those fees are as follows:

Application fee: $700

The application fee is a flat fee, payable with each permit and/or permit renewal,
and is comprised of the following costs:

- Staff time to review the permit application, in context of the permit holder, the cultivation area, and the surrounding uses: $79/hour * 3 hours = $237
- City Attorney time to review the permit application: $150/hour * 2 hours = $300
- Cost for Porterville Police Department to complete background check through the Department of Justice for permit holder: $40
- Staff time to review background check: $38/hour * 1 hour = $38
- Staff time to conduct initial and intermittent site inspections: $38/hour * 3 hours = $114

The total cost is actually $729, but has been rounded down in the initial proposal.

**Fee to review background check for each additional adult in the household:** $38

All adult members of the household are required to complete a background check in order to prove, per subsection J (1) g, that “the applicant and any resident has had not drug related felony convictions within the past seven (7) years.” The permit holder may select to obtain secondary proof of no drug related felony convictions within the last seven years, but the fee for completion of the background check is included in the application fee. For other adult members of the household, the $38 cost of staff’s review of the background check is required. The $40 cost of the background check as initiated by the Porterville Police Department may be paid directly to the Police Department for a total cost of $78; alternatively, the other adult members of the household may choose to obtain the background check through different means.

**Re-inspection fee:** $50

A re-inspection fee, in the event that cultivation is not taking place as described in the permit, is $50 per inspection. Note that pursuant to Section J (4) of the Medical Cannabis Cultivation Ordinance, failure to comply with requirements twice within a permitting period constitutes grounds for permit revocation and serves as a basis for denial of any new application or extension.

**ENVIRONMENTAL:** The Environmental Coordinator made a determination that approving the fees and forms required to implement the ordinance ("project") is not subject to the California Environmental Quality Act pursuant to §15060(c)(2) of the California Code of Regulations.

**RECOMMENDATION:** That the City Council:

1. Approve the proposed application for Medical Cannabis Cultivation Permit; and
2. Adopt the draft resolution establishing fees associated with processing and administering a Medical Cannabis Cultivation Permit.

An Ordinance of the City Council of the City of Porterville Amending Article I, Section 15-5.1 of the Porterville Municipal Code, Concerning Refusal to Issue Licenses, Repealing Article VII, Sections 15-85 Through 15-105, of Chapter 15, and Adding Section 301.23 of the Porterville Municipal Code, Concerning Medical Marijuana Cultivation

WHEREAS, in November 2007, and in response to the implementation by the State of the Compassionate Use Act of 1996, the Medical Marijuana Program Act (2003) and subsequent case law, the City Council of the City of Porterville adopted Ordinance No. 1734, which amended the City's regulations concerning medical marijuana dispensaries, prohibiting the issuance of business licenses for the purpose of operating medical marijuana dispensaries, but allowing for their regulation in the event federal law changed; and

WHEREAS, the City Council of the City of Porterville, based on recent and ongoing problems related to the local cultivation of medical cannabis, hereby finds that the cultivation, preparation and distribution of medical cannabis in the city has caused and is causing ongoing impacts to the community. These impacts are intensified by the activities of those who are abusing the current State statutory provisions for the cultivation, processing and distribution of cannabis for nonmedical, improper and illegal purposes. These impacts include increased crime related to outdoor cultivation occurring on residential lots, damage to buildings containing indoor grows, increases in home invasion robberies and related crimes, and increases in response costs, including code enforcement, building, land use, fire, and police staff time and expenses; and

WHEREAS, the City finds that it is in the best interest of the community to regulate the use of land within the city limits for the purposes of collectively cultivating, preparing, or dispensing medical cannabis, and to continue to deny business licenses to applicants desiring to open a medical marijuana dispensary within city limits; and

WHEREAS, legislation and case law confirms that the City has the power to regulate individual cultivation and restrict and even prohibit dispensing of medical cannabis, as well as regulate the collective cultivation and preparation of medical cannabis.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PORTERVILLE DOES HEREBY ORDAIN as follows:

SECTION 1. The Porterville Municipal Code, Chapter 15, Article I, Section 15-5.1 is hereby amended as follows:

15-5.1: Refusal to Issue License

A. Nothing in this Section shall be deemed to prevent the City Council from refusing to grant to any person a license to carry on and conduct any business in the city, when it shall appear to
the City Council that such business is, or is reasonably certain to be, carried on in such manner as to be unlawful, immoral or a menace to the health, safety, peace or general welfare of the people of the city, or that the applicant is not a fit or proper person to carry on such business, or of such character and reputation as to render it reasonably certain that such business will be carried on by the applicant in an illegal or immoral manner, or in such manner as to constitute a menace to the health, safety, morals, peace or general welfare of the people of the city, or that the applicant has theretofore been convicted of any crime in connection with, or while engaged in the operation of a similar business in the city, or has been convicted of any crime affecting the moral character of such applicant.

B. The City Council shall refuse to issue a business license to any applicant where it is apparent that the issuance of such license would allow for the practice, operation or carrying out of any activity that conflicts with any local, state or federal law.

SECTION 2. Chapter 15, Article VII, Sections 15-85 through 15-105, is hereby repealed.

SECTION 4. Section 301.23 is hereby added to Article 21 (Porterville Development Ordinance) as follows:

A. Purpose and Intent

1. The City Council of the City of Porterville, based on evidence presented to it in the proceedings leading to the adoption of this chapter, hereby finds that the cultivation, preparation, and distribution of medical cannabis in the city has caused and is causing ongoing impacts to the community. These impacts are intensified by the activities of those who are abusing the current State statutory provisions for the cultivation, processing and distribution of cannabis for nonmedical, improper and illegal purposes. These impacts include increases in various types of crime due to outdoor grows, damage to buildings containing indoor grows, including improper and dangerous electrical alterations and use, inadequate ventilation leading to mold and mildew, increased frequency of home-invasion robberies and related crimes. Many of these impacts have fallen disproportionately on residential neighborhoods, but nonetheless also negatively impact properties in the commercial districts. These impacts have also created an increase in response costs, including code enforcement, building, land use, fire, and police staff time and expenses.

2. The City Council also acknowledges that the voters of the State of California have provided a criminal defense to the cultivation, possession and use of medical cannabis for medical purposes under the Compassionate Use Act, but that the Compassionate Use Act does not address land use or building code impacts or issues arising from the resulting increase in cannabis cultivation within the city.

3. The purpose and intent of this chapter is to regulate the cultivation, preparation and distribution of medical cannabis in a manner that protects the public health, safety, and welfare of the community and mitigates for the cost to the community of the oversight of these activities.

B. Interpretation and Applicability

1. No part of this chapter shall be deemed to conflict with federal law as contained in the Controlled Substances Act, 21 U.S.C. Section 800 et seq., nor to otherwise permit any activity that is prohibited under that Act or any other local, state, federal law, statute, rule or regulation. The cultivation, preparation, and distribution of medical cannabis in the city is controlled by the provisions of this chapter of the Porterville Development Ordinance.

2. Nothing in this chapter is intended to, nor shall it be construed to, preclude a landlord from limiting or prohibiting cannabis cultivation, smoking or other related activities by tenants.

3. Nothing in this chapter is intended to, nor shall it be construed to, burden any defense to criminal prosecution otherwise afforded by California law.
4. Nothing in this chapter is intended to, nor shall it be construed to, exempt any cannabis related activity from any and all applicable local and state construction, electrical, plumbing, land use, or any other building or land use standards or permitting requirements.

5. Nothing in this chapter is intended to, nor shall it be construed to, make legal any cultivation, transportation, sale or other use of cannabis that is otherwise prohibited under California law.

6. All cultivation, preparation and distribution of medical cannabis within city limits shall be subject to the provisions of this chapter and other applicable provisions of this Code, regardless of whether cultivation, preparation, or distribution existed or occurred prior to adoption of this chapter.

C. Definitions: For the purpose of this chapter, the following definitions shall apply unless the context clearly indicates or requires a different meaning:

1. Accessory Structure. A residential accessory structure shall include any uses that are customarily related to a residence, including garages, greenhouses, storage sheds, studios, and workshops. Any accessory structure must be compliant with Section 301.01 and any other applicable provisions of the Municipal Code.

2. Dwelling Unit. A room or suite of rooms including one (1) and only one (1) kitchen, and designed or occupied as separate living quarters for one (1) family.

3. Medical Cannabis (also known as medical marijuana). Cannabis, including constituents of cannabis, THC and other cannabinoids, used as a physician-recommended form of medicine or herbal therapy.

4. Medical Cannabis Cooperative or Collective. Any person, association, cooperative, affiliation, or collective of persons who provide education, referral, or network services, and/or facilitation or assistance in the cultivation, preparation or distribution of medical cannabis.

5. Medical Cannabis Cultivation Area. The area allowed for the growing and preparation of medical cannabis.

6. Medical Cannabis Cultivation Facility. A facility at which medical cannabis is grown and harvested for supply to a medical cannabis preparation facility and/or a medical cannabis distribution facility.

7. Medical Cannabis Distribution. The supply to a qualified patient by any person, including a primary caregiver, cooperative or collective, of medical cannabis that is not grown in the qualified patient's residence.

8. Medical Cannabis Distribution Facility/Dispensary. Any facility or location where the primary purpose is to distribute medical cannabis as a medication upon recommendation by a physician and where medical cannabis is made available to or distributed by or to a primary caregiver or a qualified patient in strict accordance with
the Compassionate Use Act of 1996 (Cal. Health and Safety Code §§ 11362.5 et seq.).

9. Medical Cannabis Preparation. Includes, but is not limited to: manicuring, drying, curing, pressing, cooking, baking, infusing, grinding, bagging, packaging, rolling.

10. Medical Cannabis Preparation Facility. A facility at which medical cannabis is processed for supply to a medical cannabis distribution facility.

11. Qualified Patient. As defined in Cal. Health and Safety Code §§ 11362.7 et seq., and as it may be amended from time to time.

D. Severability: If any part of this chapter is held to be invalid or inapplicable to any situation by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this chapter.

E. Cultivation Generally: A qualified patient shall be allowed to cultivate medical cannabis for their own personal use. Cultivation of medical cannabis for said use shall be in conformance with the following standards:

1. No more than one medical cannabis cultivation area shall be permitted on a legal parcel, regardless of the number of dwelling units on the parcel;

2. No medical cannabis cultivation site shall be located within 100 feet of a sensitive use, as defined in Chapter 700;

3. The residence shall remain at all times a residence with legal and functioning cooking, sleeping and sanitation facilities. Medical cannabis cultivation shall remain at all times accessory to the residential use of the property;

4. The qualified patient shall reside at the residence where the medical cannabis cultivation occurs;

5. Cultivation of medical cannabis for personal use shall occur only on the parcel occupied by a qualified patient and shall be for the exclusive use of the qualified patient and otherwise in conformance with this chapter (i.e. no collectives or cooperatives);

6. Cultivation of medical cannabis for personal use shall not displace required off-street parking, or violate any other provisions of the Porterville Municipal Code;

7. Qualified patients shall have no more than the number of plants the patient is permitted under State law to have, provided that in no case shall any parcel/dwelling have more than 20 plants; with not more than 20 cultivated outdoors and/or 20 cultivated indoors within an Accessory Structure;

8. The use of gas products (e.g., CO2, butane, etc.) for medical cannabis cultivation is prohibited;

9. There shall be no exterior evidence of medical cannabis cultivation occurring at the property, from a public right-of-way;

10. Medical cannabis cultivation is prohibited as a home occupation;
11. No distribution of medical cannabis cultivated for personal use shall be allowed other than as otherwise authorized by this Code;

12. Medical cannabis cultivation shall be an accessory use to a primary residential use on a property within the RS-1 and RS-2 zones, or at a single-family residence within the RM-1, RM-2 or RM-3 zones. Medical cannabis cultivation is not allowed in multi-family developments or in mobile home parks;

13. The cultivation of medical cannabis shall not adversely affect the health or safety of the residents of the property on which it is cultivated, or nearby properties through creation of mold, mildew, dust, glare, heat, noise, noxious gasses, odor, smoke, traffic, vibration, surface runoff, or other impacts, or be hazardous because of the use or storage of materials, processes, products or wastes pursuant to the standards contained in Chapter 306 Performance Standards of this Code;

14. Medical cannabis cultivation lighting shall not exceed 1,200 watts;

15. The Accessory Structure(s) shall at all times meet the requirements of the latest adopted version of the California Building, Fire, Mechanical, Electrical and Plumbing Codes (collectively California Codes);

16. All electrical equipment used in the cultivation of medical cannabis, (e.g., lighting and ventilation) shall be plugged directly into a wall outlet or otherwise hardwired and permits obtained pursuant to the California Building, Electrical, Mechanical, Plumbing or other state or local laws rules and regulations;

17. Prior to performing any work on electrical wiring/rewiring the applicant shall first obtain a building, mechanical and/or electrical permit from the Building Division;

18. If required by California Building or Fire Code, the wall(s) adjacent to the cultivation area shall be constructed with 5/8-inch Type X moisture-resistant drywall;

19. The growing of medical cannabis outdoors shall comply with the setback requirements for the primary residence on the property subject to the zoning classification of the property;

20. Medical Cannabis plants shall be grown in an area enclosed with a solid view obscuring fence, secured with self-closing and locking gates, and shall not exceed a maximum height of five (5) feet for properties with a six (6) foot tall fence. In the alternative, plants may grow to a maximum height of seven (7) feet if the area is fenced and screened to eight (8) feet in compliance with applicable Development Ordinance and California Building Code standards; and

21. Areas for cultivation of medical cannabis shall be secured, locked, and fully enclosed and rendered inaccessible to minors.

F. Preparation

A qualified patient shall be allowed to prepare for personal use medical cannabis cultivated on the property or within his or her private residence or accessory structure. Preparation of medical cannabis cultivated at the residence shall be in conformance with the following standards:
1. Only medical cannabis cultivated at the residence in conformance with this chapter shall be allowed to be prepared for use at the residence;

2. The primary use of a dwelling unit shall remain at all times a residence with legal and functioning cooking, sleeping and sanitation facilities. Medical cannabis preparation shall remain at all times accessory to the residential use of the property;

3. The medical cannabis preparation shall be in compliance with the current adopted edition of the California Codes;

4. The use of gas products (e.g., CO₂, butane, etc.) for medical cannabis preparation is prohibited;

5. The preparation of medical cannabis shall not adversely affect the health or safety of the residents, residence or accessory building in which it is processed, or nearby properties through creation of mold, mildew, dust, glare, heat, noise, noxious gasses, odor, smoke, traffic, vibration, surface runoff, or other impacts, or be hazardous because of the use or storage of materials, processes, products or wastes pursuant to the standards contained in Chapter 306 Performance Standards of this Code; and

6. Cultivation of medical cannabis for personal use shall not displace required off-street parking, or violate any other provisions of the Porterville Municipal Code.

G. Medical cannabis preparation is prohibited as a home occupation.

H. No sale or distributing of medical cannabis processed for personal use shall be allowed.

I. Individual Distribution Prohibited. Medical cannabis cultivated or processed for personal use as provided for in this chapter shall not be distributed to any person, cooperative or collective, unless as otherwise proscribed by this Article.

J. Cultivation Permit:

1. Prior to commencing any medical cannabis cultivation, the person(s) owning, leasing, occupying, or having charge or possession of any legal parcel or premises where medical cannabis cultivation is proposed to occur must obtain a medical cannabis cultivation permit from the Community Development Director or his or her designee. The following information will be required with the initial permit application and subsequent permit extensions:

   a. A notarized signature from the owner of the property consenting to the cultivation of cannabis at the premises on a form acceptable to the City.
   b. The name of each person owning, leasing, occupying, or having charge of any legal parcel or premises where medical cannabis will be cultivated.
   c. The name of each qualified patient or primary caregiver who participates in the medical cannabis cultivation.
   d. A copy of the a current valid medical recommendation or county-issued medical marijuana card for each qualified patient identified as required above, and for each qualified patient for whom any person identified as required above is the primary caregiver.
e. The physical site address of where the marijuana will be cultivated.
f. A signed consent form, acceptable to the City, authorizing City staff, including the Police Department authority, to conduct an inspection of the cultivation area without notice.
g. Proof that the applicant and any resident has had no drug related felony convictions within the past seven (7) years.

2. The initial permit shall be valid for no more than two (2) years and may be extended in increments of two (2) years.

3. To the extent permitted by law, any personal or medical information submitted with a medical cannabis cultivation permit application or permit extension shall be kept confidential and shall only be used for purposes of administering this chapter.

4. The Zoning Administrator may, in his or her discretion, deny any application for a medical cannabis cultivation permit, or extension thereof, where he or she finds, based on articulated facts, that the issuance of such permit, or extension thereof, would be detrimental to the public health, safety, or welfare. The Zoning Administrator shall deny any application for a medical cannabis permit, or extension thereof, which does not demonstrate satisfaction of the minimum requirements of this chapter. Failure to comply with requirements twice within a permitting period constitutes grounds for permit revocation and serves as a basis for denial of any new application or extension. The denial of any permit application, or permit extension, shall be subject to appeal pursuant to Section 601.11 Appeals.

5. The City may establish a fee or fees required to be paid upon filing of any application for permit(s) as provided by this Chapter, which fees shall not exceed the reasonable cost of administering this chapter, including but not limited to review of applications for permits, monitoring and inspections, and enforcement costs. Said fee or fees shall be established by Resolution of the City Council.

K. Medical Cannabis Cultivation or Distribution Facility/Dispensary. Medical cannabis distributing facilities or dispensaries are not a permitted use and are prohibited in any and all zoning designations or districts within the city limits.

L. Enforcement. Any violation of this chapter is subject to any and all penalties as prescribed in the Porterville Municipal Code, in addition to being subject to other remedies provided by law, including but not limited to, injunctive relief, nuisance abatement action, summary abatement of immediately hazardous conditions, and all other applicable fines, penalties and remedies. This chapter is adopted to address public health and safety issues, and as such, carries with it an express legislative intent to be interpreted strictly, enforced with an emphasis on public and community safety, and enforced rigorously in a manner such as to deter further violations.

M. Appeals. With the exception of the appeal process set forth in subsection (J)(4) for consideration of applications for permits, any other decisions made by the Zoning Administrator related to the application and enforcement of this Section including, but
not limited to decisions to suspend, revoke or modify a permit, shall be subject to the appeal provisions set forth in Chapter 612 Appeals of the Porterville Development Code.

SECTION 5. Series 700: General Terms, Chapter 700.02 is hereby amended to add in alphabetical order “Use, Sensitive” to definitions to read as follows:

Use, Sensitive. Any cemetery/religious institution; school; public building regularly frequented by children; public park; or boys’ and girls’ club, or similar youth organizations.

SECTION 6: This ordinance shall be in full force and effect not sooner than thirty (30) days from and after the ordinance’s publication and passage.

PASSED, APPROVED AND ADOPTED this 7th day of October, 2014.

RESOLUTION NO. _________

A RESOLUTION OF THE CITY COUNCIL
OF THE CITY OF PORTERVILLE ADOPTING A FEE FOR PROCESSING AND
ADMINISTERING A MEDICAL CANNABIS CULTIVATION PERMIT

WHEREAS, on October 7, 2014, the City Council of the City of Porterville gave second reading to the draft ordinance concerning medical cannabis cultivation. Implementation of the ordinance requires adoption of application forms and fees, as described in subsection J- Cultivation Permit; and

WHEREAS, Section 301.23 of the Porterville Development Ordinance is pending codification and sets forth a process by which residents of Porterville may cultivate medical cannabis with a physician’s recommendation and subject to certain requirements, including a Medical Cannabis Cultivation Permit; and

WHEREAS, based on the information that must be considered in order to duly process such a cultivation permit, the City Council has defined a fee based primarily on hourly cost for staff time, as follows:

Application fee: $700

The application fee is a flat fee, payable with each permit and/or permit renewal, and is comprised of the following costs:

- Staff time to review the permit application, in context of the permit holder, the cultivation area, and the surrounding uses: $79/hour * 3 hours = $237
- City attorney time to review the permit application: $150/hour * 2 hours = $300
- Cost for Porterville Police Department to complete background check through the Department of Justice for permit holder: $40
- Staff time to review background check: $38/hour * 1 hour = $38
- Staff time to conduct initial and intermittent site inspections: $38/hour * 3 hours = $114

The total cost is actually $729, but has been rounded down in the initial proposal.

Fee to review background check for each additional adult in the household: $38

All adult members of the household are required to complete a background check in order to prove, per subsection J (1) g, that “the applicant and any resident has had not drug related felony convictions within the past seven (7) years.” The permit holder may select to obtain secondary proof of no drug related felony convictions within the last seven years, but the fee for completion of the background check is included in the application fee. For other adult members of the household, the $38 cost of staff’s review of the background check is required. The $40 cost of the background check as initiated by the Porterville Police Department may be paid directly to the Police Department for a total cost of $78; alternatively, the other adult members of the household may choose to obtain the background check through different means.
Re-inspection fee: $50

A re-inspection fee, in the event that cultivation is not taking place as described in the permit, is $50 per inspection. Pursuant to Section J (4) of the Medical Cannabis Cultivation Ordinance, failure to comply with requirements twice within a permitting period constitutes grounds for permit revocation and serves as a basis for denial of any new application or extension.

And;

WHEREAS, on October 21, 2014, the City Council reviewed the Medical Cannabis Cultivation Permit fee and determined that fees of $700, $38, and $50, respectively, are justifiable given the amount of effort put forth to provide the services.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Porterville that the fee for application for a Medical Cannabis Cultivation Permit as required by Section 301.23 of the Porterville Development Ordinance is adopted as follows: application fee of $700, $38 per additional adult in the household, and a $50 re-inspection fee.

PASSED, APPROVED AND ADOPTED this 21st day of October, 2014.

SUBJECT: CONSIDERATION OF A CONDITIONAL USE PERMIT (PRC 2014-011-C) TO ALLOW THE UPGRADE TO A TYPE 21 GENERAL OFF-SALE LICENSE FOR ALCOHOL SALES LOCATED AT 1187 WEST HENDERSON AVENUE

SOURCE: COMMUNITY DEVELOPMENT DEPARTMENT - PLANNING DIVISION

COMMENT: The applicant is requesting approval of a Conditional Use Permit to upgrade the current Type 20 (beer and wine) license to a Type 21 (general) alcohol license in conjunction with reconfiguration of site improvements at JJ’s Market, located at 1187 West Henderson Avenue. In addition to the upgrade of the alcohol beverage license, the applicant is proposing a complete demolition and reconstruction of the buildings on site, except the fuel pumps and canopy, which will remain in the current configuration.

Although ownership has changed through the years, the business has been in operation since 1987, and at that time obtained a Conditional Use Permit for approval to develop a self-service gasoline facility in conjunction with a convenience market and self-service car wash. According to records on file with the State of California Department of Alcohol Beverage Control (ABC), this business location has maintained a Type 20 Off-Sale Beer and Wine license since December 1987. At that time, the City of Porterville did not require that businesses engaged in the off-sale of alcoholic beverages obtain a Conditional Use Permit. As a result, JJ’s Market has maintained legal non-conforming status relative to sale of alcoholic beverages for off-site consumption since it originally opened. With the requested upgrade in license type from Type 20 Beer and Wine to Type 21 General, a Conditional Use Permit is required. It is important to note that the applicant has a current, valid license with the ABC. As such, approval of the proposed project would not result in an increase of ABC licenses within the census tract.

The applicant, agent, and staff have worked together on conditions and site plan revisions to meet all applicable requirements of the Porterville Development Ordinance, which shall be implemented prior to issuance of a building permit. Conditions of approval have been incorporated to facilitate compliance with all applicable codes.

RECOMMENDATION: That City Council adopt the draft resolution approving the Conditional Use Permit (PRC 2014-011-C) subject to conditions of approval.

PROJECT DESCRIPTION:

The applicant is requesting approval of a Conditional Use Permit to upgrade the current Type 20 (beer and wine) license to a Type 21 (general) alcohol license in conjunction with reconfiguration of site improvements at JJ’s Market, located at 1187 West Henderson Avenue. In addition to the upgrade of the alcohol beverage license, the applicant is proposing a complete demolition and reconstruction of the buildings on site, except the fuel pumps and canopy, which will remain in the current configuration.

Although ownership has changed through the years, the business has been in operation since 1987, and at that time obtained a Conditional Use Permit for approval to develop a self-service gasoline facility in conjunction with a convenience market and self-service car wash. According to records on file with the State of California Department of Alcohol Beverage Control (ABC), this business location has maintained a Type 20 Off-Sale Beer and Wine license since December 1987. At that time, the City of Porterville did not require that businesses engaged in the off-sale of alcoholic beverages obtain a Conditional Use Permit. As a result, JJ’s Market has maintained legal non-conforming status relative to sale of alcoholic beverages for off-site consumption since it originally opened. With the requested upgrade in license type from Type 20 Beer and Wine to Type 21 General, a Conditional Use Permit is required. The draft resolution (Attachment 1) includes conditions of approval to ensure operation of the business complies with state and local regulations regarding sale of alcohol, as well as conditions that protect the public’s safety and welfare. It is important to note that the applicant has a current, valid license with the ABC. As such, approval of the proposed project would not result in an increase of ABC licenses within the census tract (Attachment 2).

Additionally, as referenced above, the applicant is proposing a complete demolition and reconstruction of the buildings on the 24,500± square foot site (APN 251-120-003). The current development includes a 3,700± square foot market that is backed up to the northwest corner, a car wash area under a 2,000± square foot canopy in the southeast corner, and four self-service fuel pumps under a 1,350± square foot canopy near the northeast corner of the property. Drive approaches onto Henderson Avenue and Prospect Street would remain as they are constructed, and the fuel pumps, canopy, and appurtenances will not change; otherwise, the site will be almost entirely demolished and reconstructed as shown in Attachment 3.
The carwash and drying canopy will be demolished and will no longer be included in the business model. The new building will be located in the southeast corner of the property and include three tenant spaces. The largest space, at 2,960± square feet would serve as the new market; two other tenant spaces, 1089± square feet each, will provide opportunity for additional retail or services at the location. Tenants for the two smaller spaces have not yet been named, and any future occupation of those areas would require review by staff for use type and tenant improvements subject to the Development Ordinance and California Building Codes, respectively.

The applicant, agent, and staff have worked together on conditions and site plan revisions to meet all applicable requirements of the Porterville Development Ordinance, which shall be implemented prior to issuance of a building permit. Conditions of approval have been incorporated to facilitate compliance with all applicable codes.

RESOLUTION NO. \_

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORTERVILLE CONTAINING FINDINGS AND CONDITIONS IN SUPPORT OF APPROVAL OF CONDITIONAL USE PERMIT 2014-011-C TO ALLOW THE SALE OF ALCOHOLIC BEVERAGES UNDER AN OFF-SALE TYPE 21 GENERAL ALCOHOL LICENSE AT THE SOUTHEAST CORNER OF HENDERSON AVENUE AND PROSPECT STREET

WHEREAS: The applicant is requesting approval of Conditional Use Permit 2014-011-C to allow the sale of beer and wine under a Type 21 off-sale alcohol license at the southeast corner of Henderson Avenue and Prospect Street in the CR (Retail Centers) Zone; and

WHEREAS: The applicant’s business has been in operation since 1987, at which time it received a resolution of approval (Resolution 28-87) for Conditional Use Permit 1-87 and Design Overlay Site Review 1-87 for development of a self-service gasoline facility in conjunction with a convenience market and self-service car wash. Conditions of approval at that time related to the proposed development, safety and environmental conditions related to the fuel dispensers, and food service facilities within the convenience market. Resolution 28-87, approving Conditional Use Permit 1-87 is not affected by the proposed Conditional Use Permit, aside from revised conditions associated with physical improvements on the site; and

WHEREAS: The business has been operational with a valid Alcohol Beverage Control Board license consistently since 1987, prior to the City’s adoption of an ordinance requiring conditional use permits for off-sale alcohol licenses, and as such is a legal, non-conforming use. The proposed site improvements and upgrade from a Type 20 to a Type 21 license prompts a requirement to legalize the use by obtaining a conditional use permit; and

WHEREAS: The applicant has a current, valid license with the State of California Department of Alcohol Beverage Control (ABC). As such, approval of the proposed project would not result in an increase of ABC licenses within the census tract, nor will it result in an overconcentration of licenses within the census tract; and

WHEREAS: The City Council of the City of Porterville at its regularly scheduled meeting of October 21, 2014, conducted a public hearing to consider Conditional Use Permit 2014-011-C; and

WHEREAS: The City Council received testimony from all interested parties relative to said Conditional Use Permit; and

WHEREAS: Section 301.02 of the Porterville Development Ordinance requires Conditional Use Permit approval for any use involving the sale of alcoholic beverages under an on-sale or off-sale license; and

WHEREAS: The City Council made the following findings:
1. Approval of the Conditional Use Permit will advance the goals and objectives of, and is consistent with, the policies of the General Plan and any other applicable plan that the City has adopted, as follows:

LU-G-1   Promote a sustainable, balanced land use pattern that responds to existing needs and future needs of the city.

LU-G-21  Attract and retain specialty retail and restaurant businesses that will enhance Porterville's unique character.

ED-G-7   Create an image for Porterville that will attract and retain economic activity.

2. The location, size, design, and operating characteristics of the proposed project are consistent with the purposes of the district where it is located and conforms in all significant respects with the General Plan and with any other applicable plan adopted by the City Council.

The General Plan and Zoning Map designates the proposed project site as Retail Centers (CR). The proposed project promotes and implements the specific purposes of the Retail Centers Zone, including the following purposes as set forth in Section 203 of the Development Ordinance:

- To strengthen the city's economic base and provide employment opportunities for residents of the city.
- To maintain areas for regional shopping centers located at major circulation intersections.
- Ensure the provision of services and facilities needed to accommodate planned population densities.

WHEREAS: The proposed location of the project and the conditions under which it will be operated or maintained will not be detrimental to the public health, safety, welfare, or materially injurious to properties or improvements in the vicinity. Conditions of approval are included to ensure applicable development standards are met; and

WHEREAS: The subject site is located in Census Tract 36.02 which allows, according to the ABC, seven off-sale licenses. At present, seven off-sale licenses exist in this census tract, one of which is the subject business. Approval of this Conditional Use Permit will serve to legalize an existing non-conforming use, but will not result in an over concentration of off-sale licenses.

NOW, THEREFORE, BE IT RESOLVED: That the City Council of the City of Porterville does hereby approve Conditional Use Permit 2014-011-C subject to the following conditions:

1. No advertising of alcoholic beverages shall be placed on the exterior of the building nor seen from the public right of way (i.e. no window advertising or digital signage).
2. That the applicant shall operate the establishment in such a manner as to preserve the public safety, health and welfare, to prevent the use from becoming a nuisance and operate the business in compliance with all laws, ordinances and regulations regarding the sale of alcohol. In the event that this or any other condition of approval is violated, the City Council may modify or revoke the Conditional Use Permit as provided in Section 601.12 of the Porterville Development Ordinance.

3. Compliance with all applicable development and access laws, both State and Federal, is required.

4. Physical modifications to the site shall comply with the site plans and designs submitted, as represented in Exhibit A. Any substantial modification of these plans shall be approved by the City Council. The development will be required to adhere to the represented building articulations shown, including (but not limited to) the general palette of colors, indentation in plane, stone façade columns, and contrasting color of awnings above doors and windows.

5. The developer/applicant shall keep and maintain the beer, wine, and distilled spirits in the areas identified on Exhibit B. Any expansion or relocation of same shall be approved by the City Council.

6. That the on-site consumption of alcoholic beverages shall be prohibited.

7. The Conditional Use Permit, approving off-site alcohol sales, will be subject to modification or revocation if the State of California imposes sanctions on the off-sale license.

8. The Conditional Use Permit shall become null and void if not undertaken and actively and continuously pursued within one (1) year. The Conditional Use Permit will expire when the use ceases to operate for one year or more.

9. The use shall be conducted in compliance with all applicable local, state and federal regulations.

10. Abandonment. Any service station shall in the case of abandonment or non-operation of the primary use be dismantled and the site cleared within twelve (12) months subsequent to the close of the last business day.

11. The existing fuel canopy must be updated to be architecturally compatible with the proposed main building structure.

12. Lighting shall be designed to be low-profile, indirect or diffused, create a pleasing appearance, and avoid adverse impacts on surrounding uses.
13. The development shall comply with the Development Ordinance; specific points were outlined through the Project Review Committee process. Additional detail will be provided through the building permit process.

14. The developer/applicant shall construct and/or repair street, curb, gutter, sidewalk, etc. along the full parcel frontages (Henderson Avenue and Prospect Street), except where they exist and are in good condition in the opinion of the City Engineer (Ord. No. 1306). Existing frontage improvements were evaluated and determined that they were noncompliant. A minimum of four feet (4') of clear space in the sidewalk area must be provided around obstructions. An accessible path of travel across the driveway(s) serving the property must be provided by the removal and replacement of each driveway per the attached professional office/commercial standard driveway standard plan or by constructing an accessible path around each driveway. A pedestrian easement(s) may be required if right of way is limited. The developer/applicant shall have a registered Civil Engineer or Land Surveyor prepare and submit legal descriptions necessary to dedicate pedestrian easements to the City for public use, if applicable. The easement(s) shall be approved prior to the issuance of a building permit.

15. An accessible path of travel from the City sidewalk to the front entrance will be required. It is recommended that the path be directed towards Henderson Avenue.

16. The developer/applicant shall provide a site plan that illustrates truck-turning movements where applicable within the parking lot. The site plan shall be approved prior to issuance of a building permit application.

17. The Police Department recommends consideration of an interior and exterior video monitoring system which is capable of recording activity in and around the establishment. Such a system should be capable of immediate on-site replay/review.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORTERVILLE CONTAINING FINDINGS IN SUPPORT OF THE APPROVAL OF A SELF-SERVICE GASOLINE FACILITY IN CONJUNCTION WITH A CONVENIENCE MARKET AND SELF-SERVICE CAR WASH, LOCATED ON THE SOUTHEAST CORNER OF PROSPECT STREET AND HENDERSON AVENUE

WHEREAS: The City Council at its regularly scheduled meeting of March 17, 1987 held a public hearing to consider approval of a conditional use permit and "D" overlay site review to allow a self-service gasoline facility in conjunction with a convenience market and self-service car wash in the C-2 (D) zone at the southeast corner of Prospect Street and Henderson avenue; and

WHEREAS: The City Council received testimony from interested parties relative to the subject conditional use permit, which was combined with the site review to provide for expeditious processing and consideration; and

WHEREAS: The City Council reviewed the proposed locations of the four (4) remote controlled, self-service gasoline pumps and three (3) underground storage tanks in relation to the proposed market and car wash and found the on-site parking, landscaping and development proposal to be adequate for the proposed use and in keeping with the requirements of the Design Review Overlay as it applies to such commercial developments; and

WHEREAS: The City Council considered the following findings in review of the subject project:

1. That the design and improvement of the proposed project is consistent with the General Plan.

2. That the site is physically suitable for the type and density of the development.

Exhibit C
3. That the design of the project and proposed improvements are not likely to cause substantial environmental damage or public health problems.

4. That a Negative Declaration was approved for the project in accordance with the California Environmental Quality Act.

5. That the architectural theme, landscaping design, parking area and locations of structures of the proposed development will be compatible with the area surrounding the subject site.

NOW, THEREFORE, BE IT RESOLVED: That the Porterville City Council does hereby approve Conditional Use Permit 1-87 and "D" Overlay Site Review 1-87 for a self-service gasoline facility in conjunction with a convenience market and self-service car wash in the C-2 (D) zone, subject to the following conditions:

1. That development shall be in conformance with Sections 79.901 through 79.912 of the 1985 edition of the Uniform Fire Code.

2. That the applicant shall comply with all applicable air pollution control district requirements for vapor recovery, to include permits to construct and operate such equipment.

3. That two sets of plans shall be required when submitting for a building permit.

4. That all plans shall have approval by the Building Inspector, City Engineer and Fire Chief prior to issuance of the building permit.

5. That the air and water dispenser at the southerly property line shall be relocated to an area outside the required loading zone prior to approval of the building permit.

6. That development shall be in strict compliance with plans submitted (Exhibit "A") with the exception of Condition No. 5 herein, including the three (3) plans consisting of the exterior elevations, landscaping diagram and site plan.

7. That development of the subject site shall be in conformance with all applicable City requirements and codes, including but not limited to, the Standard Plans and Specifications, Zoning Ordinance, and Building Code.

8. That the landscaped areas shall be maintained in a neat and viable condition and shall be provided with an appropriate and efficient means of irrigation.
9. That all on-site lighting shall be directed away from adjoining properties and rights-of-way and shall be so designed and located as to preclude glare and visibility impacts on surrounding areas.

10. That all applicable City fees shall be paid.

11. That the food service area and related food service facilities shall comply with the requirements of the County Health Department and City Building Inspector.

12. That the site shall be maintained in a neat and viable condition and that the operator(s) shall preclude to the extent practicable, the congregation or assemblage of nuisance causing individuals.

13. That the developer shall make diligent efforts toward obtaining a mutually acceptable vehicular ingress/egress easement from the contiguous property to the east. Should said easement be obtained, the developer shall install a driveway cut from the subject site to said contiguous commercial property to the east allowing free vehicular movement between the proposed and existing commercial developments.

SUBJECT: SECOND READING – ORDINANCE 1818, AMENDING THE PORTERVILLE DEVELOPMENT ORDINANCE

SOURCE: ADMINISTRATIVE SERVICES DEPARTMENT/CITY CLERK DIVISION

COMMENT: Ordinance No. 1818, An Ordinance of the City Council of the City of Porterville Amending the Porterville Development Ordinance to Amend the Definition of Commercial Entertainment Uses and Adjust the Zone Districts within which Commercial Entertainment and Trade Schools are Allowed, was given first reading on October 7, 2014, and has been printed.

RECOMMENDATION: That the Council give Second Reading to Ordinance No. 1818, waive further reading, and adopt said Ordinance.

ATTACHMENT: Ordinance No. 1818
ORDINANCE NO. 1818

AN ORDINANCE OF THE CITY COUNCIL OF THE
CITY OF PORTERVILLE AMENDING THE PORTERVILLE DEVELOPMENT
ORDINANCE TO AMEND THE DEFINITION OF COMMERCIAL ENTERTAINMENT
USES AND ADJUST THE ZONE DISTRICTS WITHIN WHICH COMMERCIAL
ENTERTAINMENT AND TRADE SCHOOLS ARE ALLOWED

WHEREAS: On October 7, 2014, the City Council at its regularly scheduled meeting, held a public hearing to consider an amendment to the Porterville Development Ordinance;

WHEREAS: The proposed text amendment was discussed at a Project Review Committee meeting on September 24, 2014, where staff expressed no concerns with the proposal; and

WHEREAS: The Zoning Administrator determined the proposal complied with Chapter 608 Amendments to Zoning Map and Text of the Porterville Development Ordinance and determined the application to be complete; and

WHEREAS: Based on analysis conducted regarding trade schools and their potential effect on adjacent properties, the Council made the following finding in support of the text amendment: trade schools vary greatly in use intensity and type, but through a Conditional Use Permit process, the City of Porterville could establish and enforce conditions of approval to insure that the design and operations of a trade school would not have a significant effect on adjacent properties or the remainder of the community within the CR (Retail Centers) and PO (Professional Office) zone districts; and

WHEREAS: Pursuant to State and local environmental regulations, the proposed ordinance serves to provide greater clarity to uses as identified in the Porterville 2030 General Plan, and the proposed ordinance is an implementation measure of the policies, goals and objectives of the Plan. The Environmental Coordinator made a determination on the basis of substantial evidence that no additional environmental review is necessary beyond the environmental review already considered for the General Plan and the Development Ordinance.

NOW, THEREFORE, BE IT ORDAINED: That the City Council of the City of Porterville does hereby adopt Ordinance No. 1818 amending the Porterville Municipal Code to amend the definition of Commercial Entertainment uses and adjust the zone districts within which Commercial Entertainment and Trade Schools are allowed, as follows:

SECTION 1:

1. Amend Table 203.02 LAND USE REGULATIONS - COMMERCIAL DISTRICTS to add as follows:

3. Amend Section 701.02 to modify the following definitions:

**Commercial Entertainment and Recreation.** Provision of participant or spectator entertainment to the general public.

**Large-scale.** This classification includes large outdoor facilities such as amusement and theme parks, casinos, sports stadiums and arenas, racetracks, amphitheaters, drive-in theaters, driving ranges, golf courses, and facilities with fifty thousand (50,000) square feet or more in building area, including fitness centers, gymnasiums, handball, racquetball, or large tennis club facilities; ice or roller skating rinks; swimming or wave pools; miniature golf courses; bowling alleys; archery or indoor shooting ranges; riding stables; campgrounds; stables, etc. This classification may include restaurants, snack bars, and other incidental food and beverage services to patrons.

**Small-scale.** This classification includes indoor facilities that occupy less than fifty thousand (50,000) square feet of building area, such as billiard parlors, card rooms, health clubs, fitness centers, gymnasiums, handball, racquetball; ice or roller skating rinks; swimming or wave pools; miniature golf courses, bowling alleys, archery indoor shooting ranges; riding stables; campgrounds; stables, etc. This classification may include restaurants, snack bars, and other incidental food and beverage services to patrons.

SECTION 2: This ordinance shall be in full force and effect thirty (30) days from and after its publication and passage.

PASSED, APPROVED, AND ADOPTED this 21st day of October, 2014.

SUBJECT: CONSIDERATION OF WEB-BASED AGENDA MANAGEMENT SYSTEM WITH LIVE/VIDEO STREAMING COMPONENT AND COUNCIL CHAMBERS AUDIO/VISUAL UPGRADES

SOURCE: ADMINISTRATIVE SERVICES DEPT/CITY CLERK DIVISION

COMMENT: As the Council is aware, past City Councils had voiced interest for transparency purposes in pursuing live broadcasting of City Council Meetings via an educational PEG channel on cable. At that time, due to technical deficiencies in the Council Chambers, live broadcasting was not a viable option. As a later alternative, the City entered into an arrangement, which continues today, with Mr. Will Lloyd for the City’s purchase of video coverage of regular City Council Meetings. Under this arrangement, the City provides Mr. Lloyd access to electricity for his video equipment in the Council Chambers. Mr. Lloyd videos the regular Council Meetings, after which the City purchases from Mr. Lloyd a DVD containing the unedited raw footage. The City currently pays Mr. Lloyd $250 per meeting for this footage for archival purposes, or up to $6,000 per year. The DVD is then held on file and provided to the public upon request.

In an effort to improve staff efficiencies and expand public access and transparency in government, staff is seeking to modernize its agenda process and implement much-needed technological upgrades to the Council Chambers. Staff is proposing a two-pronged approach to achieve this: 1) entering into a contract with a vendor to provide access to a web-based agenda management system that includes a live/video streaming component; and 2) implementing audio/visual upgrades to the Council Chambers to make the location more conducive and compatible with newer technologies.

Web-Based Agenda Management System with Live/Video Streaming
Staff has obtained three quotes from web-based agenda management vendors and has analyzed the products offered by each provider, including SuiteOne Media, IQM2, and Granicus. In its consideration, staff looked at the companies’ backgrounds and professional references, system features and available modules, user interfaces, and cost. Staff’s comparison analysis is attached hereto as Attachment 1 for Council’s reference.
It is staff’s opinion that the SuiteOne Media product offers the highest quality solution at the lowest cost. The agenda management system automates the entire agenda creation process and allows for online collaboration between all departments, thereby creating more efficiencies with staff time and resources.

Currently, the agenda process is a low-tech, labor-intensive operation consisting of hand-delivering hard copies of agenda items between departments for a series of approvals and edits. The proposed agenda management system streamlines the process by creating an online automated workflow in which all departments can view the progress of their items and track changes. Another available component is the SuiteOne streaming module that provides live streaming of meetings on the City’s website, as well as on-demand video recordings after meetings. A key feature of this component is the linking of the agenda management and streaming modules which connects the agenda to the on-demand video thereby allowing users to simply click on the item they wish to view. The costs associated with the SuiteOne contract consist of the following:

- Agenda Management: $3,588
- Live/Video Streaming: $2,976
- Year One Total: $8,063 (includes one-time setup fee)
- Year Two Total: $6,564

Council Chambers Audio/Visual Upgrades
With the recent access to fiber in the Council Chambers, the ability to undertake much-needed technological upgrades in the Chambers is now available. As a companion piece to the proposed SuiteOne agenda management and live/video streaming system, certain audio/visual appliance enhancements are needed in the Council Chambers. The appliances currently in place are antiquated and lack expansion capabilities and modern input ports which render them incompatible with newer technologies. As the Council is aware, because of the antiquated ports, the Council and staff experience problems with audio, which cannot be corrected with the current appliances. The proposed upgrades to the A/V infrastructure includes an HD projector with mixer; new microphones on the dais; HD A/V connectivity panel, and related appurtenances. The proposed project also includes the purchase of two stationary video cameras with a staff controlled remote device and related software and accessories. The quote for this piece is separate and is attached as Attachment 2 for Council’s reference.

While the proposed upgrades to the Council Chambers are not a complete technological renovation, which staff estimates could cost upwards of $50,000, the proposed work will sufficiently modernize the location to provide for the ability to interface with current technology. Staff obtained three quotes from vendors for the proposed A/V appliance upgrades, which are attached hereto for Council’s reference as Attachment 3. It is staff’s opinion that ITC offers the best solution at the lowest cost. An added benefit is that ITC is a local Porterville vendor which would provide for ready accessibility. The costs associated with the proposed upgrades are as follows:

- Council Chambers Audio/Visual upgrades:
  - ITC:
    - HD Projector: $1,500
    - Microphones: $800
    - HD Connectivity Panel: $1,200
    - Video Cameras: $2,000
    - Staff control remote device and software: $500
    - Year One Total: $6,000
- Year Two Total: $5,000
In-house electrical work: $1,000.00 (not to exceed)
JCG (Cameras, software, accessories): $6,380.00
ITC (A/V Upgrades) $19,419.97
$26,799.97

The total cost for the proposed agenda management/streaming services and A/V upgrades is $34,862.97 for year one, and $6,959 annually thereafter ($3,588 – agenda management component; $2,976 – video/live streaming component; and $395 – camera software and support services). Funding for this project is proposed to be from the Special Purposes Reserve Fund, with the future ongoing annual costs of $6,959 to become a budgetary item.

RECOMMENDATION: That the City Council:
1. Approve contracting for services with SuiteOne Media for agenda management and live/video streaming in an amount not to exceed $8,063; and authorize the Administrative Services Director to sign all necessary documents;
2. Approve the purchase of two stationary cameras and related control accessories and software from JCG in an amount not to exceed $6,380;
3. Approve the proposed A/V appliance upgrade in the Council Chambers and authorize staff to engage the services of in-house staff for miscellaneous electrical upgrades in an amount not to exceed $1,000; and ITC in an amount up to $19,419.97; and
4. Authorize funding for said services and upgrades out of the Special Purposes Reserve Fund in an amount not to exceed $34,862.97, with ongoing annual service costs of $6,959 to become a budgetary item in future budgets.

Analysis: The SuiteOne Media system offers extensive tools for both public and staff benefit. The SuiteView module streams meetings live to the city’s website and has the meeting recordings available on-demand after the meetings. For City staff, SuiteAgenda automates the entire agenda creation process and allows for online collaboration between all departments and staff members involved in compiling agenda items. The system is highly user-friendly and graphically appealing.

In a comparison of costs, SuiteOne is significantly less expensive than both 10M2 and Granicus, while offering the highest quality solution that would meet the City’s needs for increased public access and streamlined staff processes for Council meetings.

It is recommended to pursue a contract for the SuiteOne Media product.
Company Profile: IQM2

Background: IQM2 promotes itself as a robust, end-to-end meeting management solution with a single application. The IQM2 solution automates the public meeting process from agenda preparation through the approval and decision workflow, to the compilation of minutes, and ultimately to the dissemination of information to the public via video streaming and agenda publication.

Modules:
- MediaTraq (video streaming and webcasting)
- MinuteTraq (paperless agenda management)

Main Functions:
**MediaTraq**
- Live stream and on-demand meeting video/audio on City website
- Reporting tools to track and understand site traffic
- Synchronization of video clips with each individual item in agenda document
- Transcription tool for creating minutes from recordings
- Software-based (not internet cloud-based)

**MinuteTraq**
- Agenda creation workflow for all department staff members involved
- Collaboration between departments on drafting and submitting items
- Custom-designed agenda templates and item wordings
- Automatic numbering and layout updating
- Automated item approval routing process
- Both MinuteTraq editor and MS Word integration available
- Organization and compilation of reports and attachment documents
- Revision history with tracked changes and commenting
- Recording of roll call, votes, and council member comments
- Generation of letters and legal notices
- Software-based (not internet cloud-based)

Overall Features:
- Data hosted securely on IQM2 servers with integration to City website
- Unlimited users, meeting groups, and storage
- Monthly subscription, no annual contract
- 24/7 customer service support

Costs:
- MediaTraq $490/mo.
- MinuteTraq $1,200/mo.
- One-Time Setup: $0
- **Total Year One:** $20,280
- **Total Subsequent Year** $20,280

City Reference: Town of Southampton, NY

Analysis: While the IQM2 product does have extensive tools for agenda management and meeting recordings, it has significant drawbacks when compared to the other products on the market. The IQM2 system is housed in a software application that
must be installed on staff computers, instead of being accessible through an online web-based system. This makes the agenda process cumbersome for collaboration between departments and staff members.

An additional negative aspect of the IQM2 product is that it has a very basic look and functionality that does not integrate well with the advanced graphics and navigation of Windows 8. Since the IQM2 system is software-based, any future updates to the system would require re-installation of the product on all staff computers.

The cost of the IQM2 product is substantially more than the SuiteOne Media system, even though IQM2 is much more basic than SuiteOne. Given the dramatic difference in cost, it is not advisable to pursue a contract for the IQM2 product.
Company Profile: Granicus

Background: Granicus is the largest legislative content management company, with over 20,000 government users and over 5 million government media files and public records. The Granicus system allows government agencies to streamline day-to-day tasks including webcasting public meetings, managing and delivering legislative information, and collaborating with citizens.

Modules:
- Government Transparency Suite (online video portal for meetings and events)
- iLegislate App (agenda access, note-taking, and touch-screen voting)

Main Functions: Government Transparency Suite
- Live stream and on-demand meeting video/audio on City website
- Synchronization of video clips with each individual item in agenda document
- Unlimited viewers, bandwidth, and video resolution
- Closed captioning available
- Analytic tools for understanding public viewership and online participation

iLegislate App for Council Members
- Review complete paperless agenda packets on iPads
- View archived meeting videos specific to agenda items
- Bookmark and annotate agenda items and supporting documents
- Email agenda items with annotations

Overall Features:
- All modules are internet cloud-based (no software)
- Unlimited users and data
- Data hosted securely on Granicus servers with integration to City website
- Web-based portal

Costs:
- Encoder Hardware: $2,625
- Configuration/Setup: $875
- Government Transparency Suite: $649/mo.
- Total Year One: $11,288
- Total Subsequent Year: $7,788

City Reference: Azusa, CA

Analysis: The service proposal from Granicus includes only the module for video streaming and archiving, accessible to the public on the City's website. When inquiring about the agenda management modules, staff was informed that the Granicus product for agenda management is designed for large-scale cities and is very expensive, and thus it was excluded from the proposal for Porterville. The Granicus solution for video streaming/archiving is similar to the respective video modules of the two other companies presented here.

The cost for the single Granicus module is significantly higher than the counterpart modules of both SuiteOne and IQM2. Additionally, the Granicus proposal includes
substantial up-front expenses for company hardware and configuration, which excludes the costs of cameras and microphones that would be necessary. The substantial initial investment required for the Granicus product would make it financially impractical to consider alternative products in the future, should the City desire to switch vendors in subsequent years. If the City were to become dissatisfied with Granicus, it would not be possible to recover the initial investment of $3,500.

The exchange of fees for services with Granicus does not weigh in the City's favor. The cost for the single video module is not reasonable and there are no guarantees for future expansion to the agenda management solution at a reasonable cost.

It is not advisable to pursue a contract for the Granicus product.
JCG Technologies, Inc (JCG) provides cost effective software solutions to organizations that want to automate their workflow and improve access to information; improving customer service while saving time and money. JCG solutions include Digital Audio and Video Recording, Agenda Management, Public Records Request Management, Video/Audio Webcasting Services, and Audio/Video Systems.

Our software based Liberty Meeting Recorder solution is designed as a replacement for antiquated analog cassette tape based and first generation digital recording systems.

The Liberty Meeting Recorder solution software records meeting audio/video to the PC’s hard drive. After a recording is complete, the file can be moved to the client’s network, a CD, a DVD, or any other PC-compatible storage media.

The Liberty Meeting Recorder software enables you to use a Microsoft® Word® based document (i.e. your agenda or minutes template) to take notes in Microsoft® Word® during the meeting while digitally recording. Drop down lists are provided to record roll calls, motions, and votes. All notes are automatically tied to the audio/video. Following the meeting, you can review the audio/video with the click of a mouse and quickly and easily complete the Minutes. Once approved, the Minutes (with the associated digital audio/video) can be posted to your web site as a pdf or HTML document.

Once posted to the web site, a user can simply click on a Minutes item to playback the meeting audio/video using the industry standard Microsoft® Windows® Media Player.

Optionally, the audio/video can be hosted and streamed live or on demand using our SuiteView webcasting service. The SuiteView solution includes a custom designed public portal, advanced searching and filtering, an interactive calendar, intuitive player, and analytics.

The client will be responsible for installing the JCG supplied cameras, including the Cat5 cable runs from the cameras to the clerk’s recording PC location. They will also be responsible for terminating the Cat5 ends.
Installation and Training

Unless specifically noted above, the Client will be responsible for providing:

1. All computers and laptops. Prior to the hardware and software installation all computers must be configured as per the product specifications.
2. All PC/LAN connections and cabling (if the audio is to be archived over the network).
3. All cabling for connecting the system to any of the Customer's external systems/devices (i.e. PA system for audio playback, other recording devices, audio mixer, etc).
4. PC speakers, power supply and cables for PC sound card based playback of the audio.
5. All cabling to the recording PC location, including any cable pulls.
6. Video Encoder (for video recording).

Our installation personnel will load software and install any JCG supplied hardware onto the client's computers that meet or exceed the specifications described in this proposal. Please advise us of the model and configuration of the computers so that we can verify suitability prior to delivery.

Installation is quoted on a per day basis. The quoted price assumes ready access to the Client's facility. The Client may be responsible for additional installation charges if it does not make the facility available to complete the installation in the time frame quoted, does not provide equipment per the product specifications, and/or does not provide the items (if applicable) noted above.

The Installation and Training price includes all travel expenses. Expedited installation and training (scheduled within three weeks) may be subject to additional charges.

Operator training will be provided on the same day as the installation. For training to be most affective it is preferable to have a maximum of 5 persons per session.
This document details the MINIMUM specifications required for the JCG supplied products. This information makes no allowance for other applications that may run on the computer at the same time.

Adding memory and increasing the processor speed will significantly improve performance, especially if the computer will be running other applications.

Digital Recorder Software

- Standard PC or Laptop with 2.0 GHz Processor or faster (3.0 for video)
- 1GB Memory (RAM) (2GB for video)
- Microsoft® Windows® XP Professional or later
- Windows® compatible, full duplex stereo sound playback support
- USB Port
- 256-color, 800 x 600 video display
- 20GB or more free hard drive capacity
- Microsoft® Word® 2003 or later
- Available network interface card in the recording PC

NOTE: As with any software, there are minimum hardware and software requirements, which need to be in place prior to installing and using JCG supplied software. While the attached list is minimum specification, it is important to be aware that using additional programs in combination may require a higher specification.
The Support Service Package is an annual (1 year) package.

The JCG Support Services Package includes:

- Free software updates and upgrades
- Unlimited calls (operational and technical) from 8am to 5pm AZ MST, excluding JCG holidays and weekends.
- Electronic logging of issues and questions (email & Web) 24 hours per day.
- On-line access to all released Technical Support memos.
- On-line access to product documentation.
- Software fixes via electronic download; physical media is extra cost.

The JCG Support Services Package is a site-based contract. All JCG supplied products (software and hardware) installed at the site are eligible for technical support.

All products must be registered with JCG to be eligible for support.

Audio System Proposal
City of Porterville, CA
October 1, 2014

JCG Audio Solution

JCG Technologies, Inc (JCG) provides cost effective software solutions to cities and other organizations that want to automate their legislative workflow and improve access to information; improving customer service while saving time and money.

This system proposal is offered as a detailed explanation and outline for the above referenced project. The proposal details our scope of work, any concerns or exclusions, and our cost to you for the referenced project. Please read all information carefully and feel free to contact us with any questions or concerns.

Scope of Work

It is our goal to deliver a complete and functional, integrated media design whose components are listed below.

JCG will:

- Provide, install, and control 6 new Shure MX412S/S microphones, and the clients existing microphones, through a JCG Provided Lectrosonic Model 16/12 Digital mixer and a Lectrosonics Model 8/12 Digital mixer.
• Replace the client's existing amplifier with the QSC Amplifier.

• JCG will utilize the clients existing speakers.

• Provide and install Mid Atlantic Power Supply in clients existing rack.

• Mount and Install a HD Projector.

• Provide and configure a new Extron controller system.

• JCG will terminate and test the complete system prior to training.

• Provide the client with a binder of the manufacturers manuals, warranty cards, and any other pertinent pieces of documentation.

• Install and test all specified equipment and components to provide the client with a fully functional integrated media system. Specified equipment and components will be installed per the initial build documentation set.

• Provide comprehensive training on system usage and features to the client.

requirements and exclusions

The following details certain exclusions and points of concern as it relates to this project.

• JCG is not responsible for providing 110 VAC circuits to the specified equipment and/or to the equipment locations. JCG will coordinate with the client as to the engineered and physical requirements of the power circuits, which will be provided by client and or its subcontractor.

• Client will need to provide adequate space for any equipment rack mounting. JCG will furnish requirements for the rack locations if required.

• Client is responsible for speaker wire and termination of speaker wire to audio rack.
This proposal is valid for 90 days from the date shown above. In the event the date of your approval to proceed exceeds this 90-day limitation, JCG will recalculate this proposal to represent the current costs for the system.

Deadline and Deliverables

A successful project requires that all parties work toward a common goal, especially as it relates to the completion of the project. JCG deliverables are based on a timeline that commences when JCG receives a signed contract or a purchase order authorizing its engagement for this project.

JCG is forecasting the delivery, installation, testing and commissioning of the proposed system to be complete no later than 60 days from receipt of a purchase order or signed contract. Upon official acceptance of this proposal and issuance of a signed contract or purchase order, JCG will contact the client to establish a working deadline for the completion of this project.

In the event the client requests changes to the original scope or deadline, JCG will propose a revised cost to the client for such changes and will issue an altered deadline as dictated by the request.

Method and Terms of Payment

A signed contract or a purchase order will serve as an acknowledgement and an agreement to the payment terms. In the event that it is impossible to honor these payment terms due to corporate or government restrictions, JCG will issue a new proposal or acceptance reflecting the altered and agreed upon terms of payment.

Each invoice shall be due and payable to JCG Technologies, Inc., at the address specified in this quotation. Client agrees to pay a late charge of two percent (2%) per month or the maximum lawful rate; whichever is less, for all amounts not paid within thirty (30) days of receipt of invoice.

JCG will provide detailed accounting of part numbers, serial numbers, and equipment location. Our payment terms for this project are:

50% When the Purchase Order is issued.

Final payment of the contract upon completion and delivery of proposed system.
System Warranty

The strength of any Systems Integration Company is its ability to stand behind its system and workmanship. JCG is proud to offer a one-year “bumper to bumper” warranty for this project. This warranty period commences upon the completed installation.

What is Covered?

Workmanship:
Should any part of the system installed by JCG fail due to faulty wiring, faulty termination, or any other negligent act of labor by JCG; we will repair the system at no charge to the client.

Hardware and Components:
JCG honors the manufacturer's warranty for all equipment sold for this project. Each individual manufacturer warrants its product for varying lengths of time. Should any product need replacement during the system warranty period, JCG will repair or replace that product at no charge to the client.

Outside of the system warranty period, JCG will assist the client in exercising any remaining warranty on the specific product. This will be done at normal service rates and expenses.

What We Will Do:

During the system warranty period, JCG will make every attempt to remotely diagnose and/or repair the deficiency of the system prior to an on-site service call. Once our staff has determined that there is no alternative but to conduct an on-site visit, we will make every attempt to respond as quickly as possible.

Handling a Warranty Claim:

Once a service call is made, our service department will handle the claim. Our service department can be reached during normal business hours at (480) 661-5629. Our normal business hours are Monday through Friday, 8:00am to 5:00pm. AZ MST, excluding holidays. We encourage our clients to keep us aware of critical meeting dates in the unlikely event a service issue arises. During the first year, there is no charge for handling the warranty.
Outside of that period, should a service call be required, you will incur time and material charges at a current service rates and expenses of JCG Technologies, Inc. This includes travel expenses. Additional comprehensive preventative maintenance programs are available from JCG.

**Individual Equipment Warranty:**

Aside from the system warranty, most components will carry additional manufacturer warranty coverage anywhere from two to four years. Our system documentation includes all of the necessary paperwork and cards so that the client can register with the manufacturers to officially be eligible for the warranty. As an authorized dealer of each system component, JCG will be available to assist in the processing of warranty claims for your project if and when the need arises.

**What This Warranty Does Not Cover:**

This system warranty does not cover defects resulting from accidents, alterations to the system, unauthorized repair of components, or general misuse of the system. JCG reserves the right to refuse warranty service if it is found that the client is negligent as described above.

SUBJECT: GOVERNOR’S EXECUTIVE ORDER FOR CALIFORNIA DISASTER ASSISTANCE ACT FUNDING, AND THE PROVISION OF WATER TO EAST PORTERVILLE RESIDENTS

SOURCE: Administration

COMMENT: As was reported at the last City Council meeting, Governor Brown issued Executive Order B-26-14, within which the Governor authorized funding through the California Disaster Assistance Act for the purpose of providing temporary water supplies to households without water for drinking and/or sanitation purposes, as well as directed State agencies to coordinate with counties and local agencies in providing long-term solutions for affected residents.

On Wednesday, October 15, 2014, City Council and staff representatives were invited to participate in a coordination meeting with State and County representatives in regards to the long-term water needs in the East Porterville area. State agencies represented in the meeting included the Governor’s Offices of Emergency Services and Planning and Research, Department of Water Resources, and Department of Housing and Community Development. During the course of the meeting, the participants discussed the feasibility of the City allowing a manageable number of residents to connect to the City’s municipal water system, with the remainder to have a 1,500-gallon tank placed at their residence that is proposed to be filled every other week (likely by Self-Help Enterprises). The Governor’s Office of Emergency Services representatives indicated that they could fund the necessary water main infrastructure to connect County residents to the City’s water system, and the Department of Housing and Community Development indicated they could fund the individual connection fees (approximately $5,000 per connection). In addition, the Office of Emergency Services indicated that they could fund at least one (1) and potentially two (2) new wells for both connecting residents to the City’s water system, as well as to provide a water source for the filling of the 1,500-gallon tanks.

It was reported in the meeting by the County that there are at least four hundred East Porterville residences whose wells are dry, of which the City indicated that it would begin planning toward the initial
connection of at least one hundred residences, focusing on the areas that meet the LAFCO definition of an “Island”, which are most probable for future annexation into the city. These areas are generally in the western most part of East Porterville, and also contain some of the largest clusters of residences currently without water.

In addition, recognizing that the City Council’s funding authorization for providing water delivery service in coordination with the Porterville Area Coordinating Council would soon be expended (end of the month), County representatives have requested that the City consider continuing this service by Mutual Aid Agreement with the County as the long-term solutions are developed and put into effect. Under the Executive Order’s funding authorization and by Mutual Aid Agreement, the City would be eligible for reimbursement of up to seventy-five percent (75%) for appropriate expenses in providing assistance and support for drought-related activities.

To date, the PACC has currently placed sixty (60) 300-gallon water tanks at East Porterville residences, which is planned to increase to one hundred (100) by the end of this month. Currently, City staff and a water truck deliver water to each residence with a tank once per week, which requires two full days to fill the tanks, and will require at least an additional day of delivery as the additional tanks are placed.

RECOMMENDATION: That the City Council consider the planning effort toward the provision of water service connections to East Porterville county residents in reference to the Governor’s Executive Order, as well as the continuation of water delivery service by Mutual Aid Agreement with the County, and provide direction and authorization to staff as deemed appropriate.

Governor Brown Streamlines Relief Efforts for Families with Drinking Water Shortages Due to Drought

SACRAMENTO – Just days after signing historic legislation requiring sustainable groundwater management for the first time in California, Governor Edmund G. Brown Jr. issued an executive order streamlining efforts to provide water to families in dire need as the extreme drought continues to grip the state.

The order makes funding available through the California Disaster Assistance Act to provide water for drinking and sanitation to households currently without running water. The executive order also extends the state's prohibition on price gouging during emergencies to the current stage of the drought, recognizing the on-going nature of the drought emergency. Additionally, it directs the State Water Resources Control Board, the Department of Water Resources and the Governor’s Offices of Emergency Services and Planning and Research to work together to identify acute drinking water shortages in domestic supplies and to work with counties and local agencies to implement solutions for those water shortages.

Today’s announcement follows the Governor’s signing of legislation requiring local, sustainable groundwater management earlier this week. Last December, the Governor formed a Drought Task Force to closely manage precious water supplies, to expand water conservation wherever possible and to quickly respond to emerging drought impacts throughout the state. In January, the administration finalized a comprehensive Water Action Plan that charts the way for California to become more resilient in the face of droughts and floods. During that same month, the Governor declared a drought state of emergency and in February, signed legislation to provide $687.4 million to support drought relief, including money for housing and food for workers directly impacted by the drought, bond funds for projects to help local communities more efficiently capture and manage water and funding for securing emergency drinking water supplies for drought-impacted communities. In April 2014, the Governor called on the state to redouble their efforts at combating drought. Last month the Governor signed legislation to put a water bond before voters after winning bipartisan approval in the Legislature.

Governor Brown has called on all Californians to reduce their water use by 20 percent and prevent water waste. Visit SaveOurWater.com to find out how everyone can do their part and Drought.CA.Gov to learn more about how California is dealing with the effects of the drought.

The text of the executive order is below:
Executive Department  
State of California

EXECUTIVE ORDER B-26-14

WHEREAS on January 17, 2014, I proclaimed a State of Emergency to exist throughout the State of California due to severe drought conditions; and

WHEREAS on April 25, 2014, I proclaimed a Continued State of Emergency to exist throughout the State of California due to the ongoing drought; and

WHEREAS drought conditions have persisted for the last three years and the duration of this drought is unknown; and

WHEREAS many residents across the state who rely on domestic wells or very small water systems now live in homes that can no longer provide water for drinking or sanitation purposes due to declining groundwater supplies resulting from the drought; and

WHEREAS the shortage of water for drinking and sanitation purposes that many residents now face constitutes a threat to human health and safety; and

WHEREAS additional expedited actions are needed to reduce the harmful impacts from these water shortages and other impacts of the drought; and

WHEREAS the magnitude of the severe drought conditions continues to present threats beyond the control of the services, personnel, equipment, and facilities of any single local government and require the combined forces of a mutual aid region or regions to combat; and

WHEREAS under the provisions of section 8571 of the California Government Code, I find that strict compliance with various statutes and regulations specified in this order would prevent, hinder, or delay the mitigation of the effects of the drought.

NOW, THEREFORE, I, EDMUND G. BROWN JR., Governor of the State of California, in accordance with the authority vested in me by the Constitution and statutes of the State of California, in particular Government Code sections 8567 and 8571 of the California Government Code, do hereby issue this Executive Order, effective immediately.

IT IS HEREBY ORDERED THAT:

1. The Office of Emergency Services shall provide local government assistance as it deems appropriate for the purposes of providing temporary water supplies to households without water for drinking and/or sanitation purposes under the authority of the California Disaster Assistance Act, California Government Code section 8680 et seq. and California Code of Regulations, Title 19, section 2900 et seq.

2. The provisions of the Government Code and Public Contract Code applicable to state contracts and procurement, including but not limited to, advertising and competitive bidding requirements, are hereby waived for the sole purpose of allowing state agencies and departments to purchase water for the protection of health, safety, and the environment.
3. The provisions of California Penal Code section 396 prohibiting price gouging in times of emergency are hereby reinstated as of the date of this Order. The 30-day time period limitation under subsection (b) is hereby waived. For the purposes of calculating the price differential, the price of goods or services shall be compared to the price in effect as of the date of this Order.

4. The State Water Resources Control Board, the Department of Water Resources, the Office of Emergency Services, and the Office of Planning and Research will assist local agencies with the identification of acute drinking water shortages in domestic water supplies, and will work with local agencies in implementing solutions to those water shortages. For any actions the listed state agencies take pursuant to this directive, for any actions taken by a local agency where the Office of Planning and Research concurs that local action is required, and for any necessary permits to carry out those actions, Division 13 (commencing with section 21000) of the Public Resources Code and regulations adopted pursuant to that Division are hereby suspended. This suspension will expire on December 31, 2014, except that actions started prior to that date shall not be subject to Division 13 for the time required to complete them.

This Executive Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

I FURTHER DIRECT that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given to this Order.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 18th day of September 2014.

EDMUND G. BROWN JR.
Governor of California

ATTEST:

DEBRA BOWEN
Secretary of State
SUBJECT: CONSIDERATION OF CITY COUNCIL PROCEDURAL HANDBOOK

SOURCE: City Manager

COMMENT: At the City Council meeting of September 16th, Councilmember Ward requested, and the Council approved, the consideration of the City Council Procedural Handbook be scheduled for the October 7th meeting. At the October 7th meeting, the Council postponed consideration of the Handbook to this meeting.

The prior City Council last revised the Handbook in October 2013, and given the recent seating of new members of Council, the Council may wish to review the Handbook for determining its own procedures and operations.

RECOMMENDATION: That the City Council consider the City Council Procedural Handbook, and adopt changes to the Handbook and/or provide direction to staff as deemed appropriate.

      (to be attached upon completion and adoption)
The residents and businesses of the City of Porterville are entitled to have fair, ethical, and accountable local government. Such a government requires that:

- Public Officials comply with both the letter and spirit of the laws and policies affecting operations of the government;
- Public Officials be independent, impartial, and fair in their judgment and actions;
- Public office be used for the public good, not for personal gain; and
- Deliberations and processes be conducted openly, unless legally confidential, in an atmosphere of respect and civility.

No part of this Handbook shall be interpreted so as to violate any federal or state law; a Council Member’s Oath of Office; a Council Member’s moral or ethical responsibilities; or the exercise of a Council Member’s individual rights afforded him/her by the U.S. Constitution.

To this end, the City Council of the City of Porterville hereby approves of and affirms the above to encourage public confidence in the integrity of local government and its operations.  
(Minute Order 21-070511, July 5, 2011.)
II. MEETINGS OF COUNCIL

The Council shall provide by ordinance the time and place of holding regular meetings and the manner in which special meetings may be called. Public interest and convenience shall be primary consideration when decisions are made as to time, location and frequency.

Except as otherwise provided by law, all meetings of the Council shall be open to the public.

A. REGULAR MEETINGS

1. Pursuant to Section 10 of the City Charter, Regular Meetings of the Porterville City Council shall be held on the first and third Tuesday of each month in the Council Chambers at City Hall, 291 North Main Street, in the City. The Regular Meetings will commence at five thirty o’clock (5:30) P.M., with Closed Sessions commencing at five thirty o’clock (5:30) P.M., and Open Session commencing at six thirty o’clock (6:30) P.M. In the event that a regular meeting of the Council shall fall on a legal holiday, that regular meeting shall be held at the same place and time on the next succeeding working day, or as determined by Council. 
(Ordinance 1766, August 17, 2010; M.O. 15-09181, September 18, 2012.)

2. Following the mid-meeting break (around 9:00 p.m.) the Mayor, with assistance from the City Manager, will review the balance of the agenda with Council to discuss how it can be handled in the allowed time. If it is necessary to continue any items, it will be announced at that time.

B. ADJOURNED MEETINGS/STUDY SESSIONS (Open to the public)

1. The purpose of these meetings shall be for informal discussions between staff, advisory bodies or consultants and the City Council regarding specific programs, projects or policies. If noticed, formal action may be taken at such a meeting.

2. Adjourned Meetings/Study Sessions will be held at a time and place convenient to Council and advantageous for public participation.

3. Participation of the public shall be at the discretion of the Presiding Officer, upon consensus of the Council.

C. SPECIAL MEETINGS

1. Special meetings may be called by the Mayor or three members of the City Council. *(Gov. Code Section 54956)* Written notice of each special meeting must be given not less than twenty-four (24) hours before such meeting to each member of the City Council not joining the call.

2. Written notice must be given to the City Council and to the media 24 hours prior to each meeting. *(Gov. Code Section 54956)*

3. A supplemental telephone call shall be made if necessary to notify each Council Member.

4. No business other than that announced shall be discussed.

5. Any special meeting held at a place other than City Hall shall be open to the public. Notice requirements of the Brown Act shall be complied with for any such meetings; regular minutes shall be taken by the City Clerk and shall be available for public inspection.

D. ORDER OF BUSINESS:

(Resolution 101-2010, August 17, 2010, attached as Appendix A.)

E. CONSENT ITEMS

1. Consent items are the first items on the open session portion of the agenda (items that are routine, have been discussed before, relate to implementation of approved budget items, or to City operations or item to be later set for public hearing).

2. Any item removed from the Consent Calendar shall be considered immediately after the last Scheduled Matter on the agenda and immediately before the Second Oral Communications. (M.O. 16-091812, September 18, 2012.)
III. MEETING PROCEDURES

A. PRESIDING OFFICER

1. The Mayor is the Presiding Officer and acts as Chair at Council meetings.

2. In the absence or incapacity of the Mayor, the Vice Mayor as Mayor Pro Tempore will serve as Presiding Officer. In the absence of both the Mayor and Vice Mayor, the Council Members present shall select one of their number to serve as Presiding Officer for that meeting. *(Amended via Minute Order 08-071911, July 19, 2011.)*

3. Seating arrangement of the Council:

Seating arrangements shall be at Council discretion with preference being given to health conditions, seniority, individual Council Member preferences, and the Mayor’s preference, in that order. *(Amended via Minute Order 08-071911, July 19, 2011.)*

4. Signing of City Documents:

The Mayor, unless unavailable, shall sign all ordinances, resolutions, contracts and other documents which have been adopted by the City Council and require an official signature; except when the City Manager, or his or her designee, has been authorized by Council action to sign documents. In the event the Mayor is unavailable, the Vice Mayor may sign the required documents. *(Amended via Minute Order 08-071911, July 19, 2011.)*

B. QUORUM

A majority of the Council Members shall constitute a quorum for the transaction of business. *(City Charter)*

C. DISCUSSION RULES

1. Obtaining the floor:

   a. A member of the City Council, staff, or public shall first address the Presiding Officer and gain recognition.
b. Comments and questions shall be limited to the issue before Council except when members of the public are addressing the Council under Oral Communications.

c. Council shall require a motion and a second prior to any discussion of an agenda item. *(Minute Order 17-091812, September 18, 2012.)*

d. Cross-exchange between Council Members, staff or public shall be avoided.

e. Any citizen may arise and address the City Council on any business especially concerning them or affecting their interests during Oral Communications, but preference will be given to those who have first presented matters in the form of a written communication or who have personally notified the presiding officer of their desire to speak.

f. Any member or other person using profane, vulgar, loud or boisterous language at any meeting, or otherwise interrupting the proceedings, who refuses to be seated or keep quiet when ordered to do so by the Mayor or Mayor Pro Tem of the City Council, shall be guilty of a misdemeanor. It shall be the duty of the Chief of Police, upon order of the presiding officer, to eject any such member or person from the council room. *(Ordinance 1537)*

2. Questions to staff:

A Council Member shall, after recognition by the Presiding Officer, address questions to duly designated staff members through the City Manager.

3. Interruptions:

a. Once recognized, a Council Member shall not be interrupted while speaking except to make a point of order or personal privilege.

b. If a Council Member is called to order while speaking, the individual shall cease speaking until the question of order is determined.

c. Upon being recognized by the Presiding Officer, members of staff shall hold the floor until completion of their remarks or until recognition is withdrawn by the Presiding Officer.
IV. COUNCIL REQUESTS FROM THE PUBLIC

A. Response to Letters from the Public

Periodically Council Members receive letters requesting their response. If a Council Member wishes to answer the letter, the matter can be handled in either of three ways:

1. The Council Member can give the letter to the City Manager's Secretary along with direction on how they wish their response to be worded. The City Manager's staff will then prepare the letter on City Council stationery and forward it to the appropriate Council Member for approval and signature. Copies of both letters are kept on file in the City Manager's Office, and copies are available upon request.

2. If the letter requires specific information or details only available from another City Department, the City Manager may refer the letter to the appropriate Department Head for response by them or their designee. Copies of the letters will then be forwarded to the City Manager's Office for filing.

3. If the Council Member wishes to answer their own correspondence, City stationery is available upon request from the City Manager's secretary. Copies of all such letters on City Letterhead shall be provided to all other Council members, and the letter shall include a provision clearly defining that the correspondence represents the views and/or feelings of the specific Council member signing the letter. If the Council Member wishes to have a copy of the letters in their file, they should submit a copy to the City Manager’s staff for filing.

If a Council Member receives an informational item and wants a copy to be given to the other Council Members and the City Manager or other Directors, the item should be given to the City Manager’s staff and copies will be made and sent out.

B. Referrals to Council agenda

Periodically Council Members receive correspondence or verbal requests for items to be acted upon, or considered, by the City Council. If a Council Member wishes to respond to the request, the matter should be referred to the City Manager. The request can then be handled as follows:
1. The Council Member may request the City Manager to place the item on the Council agenda as a written communication (however, the request must be stated on the agenda face sheet for Council to be able to act on it at the meeting); or

2. Upon research, the request may be determined to be a violation of City, State or Federal law, policy, or previous Council determination, in which case an appropriate response as to why the matter can not be heard will be provided to the requesting party.

Correspondence requesting that an item be acted upon, or considered, by the City Council, which is received directly by the City Manager, is handled in either of two ways:

1. The City Manager shall place any routine and/or legitimate written request under written communications*, or have a staff report prepared if time permits, for the next City Council agenda; or

2. The City Manager shall place any request which has already been acted upon by Council, cannot legally be accomplished, or which has a potential for litigation, in an Administrative Memorandum.

C. Telephone Calls

Citizens attempting to communicate with the City Council often call the offices at City Hall. Such calls are referred to the City Manager's Office. The City Manager's staff will take a message and refer it to the appropriate Council Member, or give the caller the telephone number of the City Council Member so they may call them directly, according to instructions given by the Council Member [see X-D (3)].

D. Personal Meetings

Council Members who wish to meet with their constituents may use various rooms at City Hall. The Council Member should call the City Manager's Secretary as soon as they know a room is needed so that it can be reserved for their use. No more than two Council Members may attend a meeting to discuss City matters without the meeting becoming a public meeting and therefore falling under the requirements of the Brown Act Open Meeting Laws.

City Council Procedural Handbook

Revised October 1, 2013

Page 11 of 25
E. Personal Correspondence

Council Members who wish to send their own correspondence using City stationery shall include a provision clearly defining that the correspondence represents the views and/or feelings of the specific Council member signing the letter. Copies of all such letters on City Letterhead shall be provided to all other Council members. Letterhead stationary is available upon request from the City Manager's secretary, and if the Council Member wishes to have a copy of their letter in their file, they should submit a copy to the City Manager's staff for filing.

F. Proclamation Approval Process

All Proclamations must be submitted at least 72 hours before noon on the Thursday before the next City Council Meeting to be considered for approval by the City Council. All received proclamations are to be scanned and emailed to all Council Members within one business day of being received. Each Council Member will have until noon on the Thursday before the next Council Meeting to contact the City Manager's Office to sponsor submitted proclamations. Proclamations receiving one sponsor will be placed on the next Council agenda as a Consent Calendar item. Those not receiving a sponsor will be disregarded. If multiple sponsors are received, the first Council Member to respond will be deemed the proclamation's sponsor. (M.O. 13-100113, October 1, 2013.)
V. COUNCIL MEMBER REQUESTS TO STAFF

A. General Information

All City Council Member requests for information or documents shall be referred through the City Manager. Any Department Head who receives a direct request from a Council Member shall submit the request, including the name of the requesting Council Member, to the City Manager.

B. Research

All City Council Member requests for information or documents which require extensive research, in the opinion of the City Manager, shall be referred through the City Manager to the Council for direction. The City Manager will discuss the matter with the appropriate department and relay the approximate time table for completion to the City Council for discussion and action at the next available meeting of the City Council. If the request is approved by the Council, upon completion of the research, the information or documents will be forwarded to the City Council Members by the City Manager. (Amended via Minute Order 08-071911, July 19, 2011.)

C. Items for inclusion in Council Agenda

The City Manager shall compile the agenda for each meeting and shall include as agenda items, business in the normal course of City affairs, including but not limited to staff proposals to improve services, support the economy and land use, and enhance the efficiency and effectiveness of the City organization, items relating to current, past, and proposed City contracts, leases, franchises, agreements and similar documents, and matters affecting future or proposed City equipment and property, items relating to City employees, agents and contractors, and such other matters as are defined in this handbook or otherwise directed by the City Council.

All City Council Member requests for an item to be placed on the Council agenda should be referred to the City Manager. Pursuant to Minute Order No. 11-022096, such request shall be submitted prior to Monday noon of the week before the Council meeting in order to be placed on the next regularly scheduled meeting.
The City Manager shall place any Council Member request for an agenda item on the next available agenda as a Consent Calendar item for Council approval to be included as a Scheduled Matter on the next available agenda. This does not prevent any Council Member from moving to place an item on the next available agenda during Other Matters of the current agenda. (Amended via Minute Order 08-071911, July 19, 2011.)
VI. COUNCIL AGENDA

A. Preparation:

Each Department Head submits agenda items regarding their Department to the City Manager for approval. Upon the City Manager's approval, the items are returned to the appropriate department for copying and collation.

The City Council meeting agendas are prepared on the Thursday prior to the Tuesday meeting. Any questions regarding whether items have been scheduled for consideration at a particular meeting may be directed to the Chief Deputy City Clerk and/or Deputy City Clerk.

B. Deadlines:

The deadlines for the agenda are the Monday preceding the Thursday preparation day. Public hearing items, scheduled matter items, Consent calendar items, and written communications must be submitted by the Monday deadline. The deadline for a Council member request for any item shall be Monday noon preceding the Thursday preparation day.

C. Delivery:

Agendas will be delivered to Council on the Thursday prior to the Tuesday meeting. The agenda shall include a complete copy of the agenda on compact disc suitable for loading on a laptop computer, with provisions for annotating materials with the use of a suitable Acrobat Reader. No items, or additional materials, shall be delivered after the initial delivery to Council on Thursday, except in the instance of a designated emergency item.

Council agendas shall be delivered to the Council Member's home or business, as requested. If no one is available to receive the agenda, the agenda shall be left in an area designated by the Council Member, unless other arrangements have been previously made with the City Clerk=s staff. [See X(D)(1)(2).]

The agendas for staff, public and the news media are available after Council receives their agendas, usually on Friday.
VII. THE RALPH M. BROWN ACT

The Ralph M. Brown Act (California Government Code § 54950 et seq.) governs meetings conducted by local legislative bodies such as city councils, boards of supervisors, special districts, and school boards. The Act represents the State Legislature’s determination of how the balance should be struck between the public access to meetings of multi-member public bodies on one hand, and the need for confidential candor, debate, and information gathering on the other.

The Act contains specific exceptions from the open meeting requirements where government has a demonstrated need for confidentiality. Where matters are not subject to a closed meeting exception, the Act has been interpreted to mean that all of the deliberative processes by legislative bodies, including discussion, debate and the acquisition of information, be open and available for public scrutiny.

Meetings are defined as any gathering of a quorum of a legislative body (which includes newly elected but unsworn members of the body) to discuss or transact business under the body’s jurisdiction and serial meetings are prohibited. Exemptions are individual contacts between board members and others which do not constitute serial meetings, attendance at conferences and meetings which are open to the public so long as legislative bodies do not discuss amongst themselves business of a specific nature under the body’s jurisdiction, and attendance at social or ceremonial events where no business of the body is discussed.

The Act requires that notices of regular meetings must be posted at least seventy-two (72) hours prior to the meeting, and twenty-four (24) hour notice must be provided to members of the legislative body and media outlets for special meetings.

A user's guide to the Ralph M. Brown Act is provided to Council Members for their information. If a Council Member has a specific question which does not seem to be covered in the guide, the Council Member should contact the City Attorney for a legal opinion.
VIII. TRAVEL, MEETINGS AND EXPENSES

This policy would satisfy the requirements of California Government Code §§ 53232.2 and 53233.3 in the event such requirements could be constitutionally applied to charter cities.

The City Manager, or his staff, will notify the City Council Members about any League of California Cities' Conferences, Redevelopment Conferences, Committee meetings, and/or local meetings that may be of interest to the Council. If a Council Member is interested in attending any such meeting, the following procedures should be followed:

A. Requests for Reservations:

When a City Council Member wishes to attend a conference or meeting, he/she should contact the City Manager's office and indicate the following:

1. The date(s) of the conference or meeting;
2. If the Council Member will be accompanied by anyone else, i.e. spouse, child;
3. Any personal preferences for hotel reservations, such as smoking or non-smoking, king or double beds, etc.; and
4. Whether special travel arrangements need to be made, i.e. airplane tickets, ride-sharing, etc.

A disbursement will then be prepared and the payment for the conference or meeting will be forwarded, and, if applicable, the hotel will be contacted to make the appropriate reservations. When making hotel reservations to attend a conference or meeting, a request for a room sales tax waiver shall be made on behalf of the applicable Council member. If a prior room reservation request is not made, the Council member shall request a room sales tax waiver prior to payment for a room.

For lodging in connection with a conference, lodging expenses must not exceed the group rate published by the conference sponsor for the meeting in question, if such rates are available at the time of booking. If the group rate is not available, government rates must be used when available. Lodging rates that are equal or less than the government rates are presumed to be reasonable and allowed per this policy. In the event that government rates are not available at a given time or in a given area, lodging rates that do not exceed the IRS per diem rates for a given area are presumed reasonable and hence allowed.
B. Travel and Expense Form:

A Travel and Expense Form will then be prepared for the Council Member which indicates the following:

1. The amount of money to be issued to the traveler as per diem*; and
2. Mileage expense* (if a personal vehicle is used for travel and cost is paid in advance).

* Amount set in Administrative Policy Manual Sec. II-E-1, Travel & Conference Expenses. In regard to the per diem amount, if payments for expenses are made in advance pursuant to the specified per diem amounts, the disbursement shall not be considered to be reimbursable expense under AB 1234.

The Council Member will then be issued a packet of materials several days prior to the meeting which contains the following:

1. A check for per diem and mileage;
2. Confirmation notification and informational materials regarding the conference;
3. Confirmation notification for any hotel reservations; and
4. A City credit card to pay for the room charges at the end of the meeting.

C. Receipts:

The Council Member shall then bring the receipt for the hotel charges to the City Manager's staff upon his/her return, together with the credit card, and any refund due the City. The Council Member shall sign the original Travel and Expense Form at that time, which shall then be filed with the Finance Department for final processing.

If a refund is due the Council Member, a check will be issued by the Finance Department and then distributed to the Council Member.

D. Eligibility:

The City shall pay for any Council Member to attend any meetings or conferences of their choice, as approved or ratified by the City Council. A Council Member may request mileage and other expenses associated with attending meetings of boards, commissions, committees, or other groups to which the Council Member has been elected, appointed, or designated to attend by the City Council without further approval or ratification. When accompanied by a spouse, significant other, and/or one or more children, the Council Member shall pay for expenses incurred above that which would otherwise have been paid for the Council Member. Any charge placed on a City credit card for someone other than a Council Member shall also be considered a refund due
the City, payable within 10 days of the receipt of the charges.  *(Amended via Minute Order 18-091812, September 18, 2012.)*

E. Event Tickets:

1. City and/or City-Sponsored Events:
   A Council Member may accept no more than two (2) tickets issued by the City to a City event or a City-sponsored event. Any tickets in excess of two (2) accepted by a Council Member shall be paid for by the Council Member from non-City funds at the time of acceptance of the tickets. *(Resolution 99-2012, October 2, 2012.)*

2. Non-City Sponsored Events:
   The use of City funds to purchase tickets to community events are restricted to the Mayor and Vice-Mayor only. *(Minute Order 11-120412, December 4, 2012.)*
IX. CONFLICT OF INTEREST

A. City Council Members Filing Requirements

City Council Members are under the provisions of the Political Reform Act (Gov. Code, Section 81000 et seq. known as "the Act") as enforced by the Fair Political Practices Commission. The Act applies to campaign contributions requirements, as well as matters of conflict of interest while in office.

1. Disclosure of Economic Interests:

City Council Members must file assuming office and leaving office statements, as well as annual statements while in office. The statements basically require the disclosure of the following information:

- Investments or interests in real property and its fair market value;
- Income, and the name and address of each source of income aggregating five hundred dollars ($500) or more, or fifty ($50) or more if a gift, and a general description of the business activity, if any of each source;
- Interests in real property held by a business entity or trust;
- Loans, and its annual interest rate and the security, if any, given for the loan;

2. Disqualification of Participation (Conflict of Interest):

A Council Member shall not make, participate in making, or in any way attempt to use his official position to influence a governmental decision in which he knows or has reason to know he has a financial interest. This might include decisions which affect property within up to 500 feet of the subject property in which the Council Member has an interest.

A financial interest in a decision, within the meaning of Section 87100 of the Act, is if it is reasonably foreseeable that the decision will have a material financial effect, distinguishable from its effect on the public generally, on the Council Member or:

- A member of his or her immediate family;
- A business entity in which the Council Member has a direct or indirect investment worth $2000 or more;

- Any real property in which the Council Member has a direct or indirect interest worth $2,000 or more;

- Any source of income, other than gifts or commercial lending institutes loans, aggregating $500 or more received or promised to the City Council Member within twelve months prior to the time when the decision is made;

- Any business entity in which the City Council Member is a director, partner, trustee, employee, or holds any position of management;

- Any donor, or any intermediary or agent for a donor, or a gift or gifts aggregating $420 or more in value provided to, received by, or promised to the City Council Member within 12 months prior to the time when the decision is made.

Indirect investment or interest means any investments or interest owned by the spouse or dependent child of a City Council Member, by an agent on behalf of a Council Member, or by a business entity or trust in which the Council Member, the Council Member's agents, spouse, and dependent children own directly, indirectly, or beneficially a 10% interest or greater.

Section 87100 of the Act does not prevent any Council Member from making or participating in the making of a governmental decision to the extent his participation is legally required for the action or decision to be made. The fact that a Council Member's vote is needed to break a tie does not make his participation legally required for purposes of this section.

Pursuant to Section 87105 of the Act, a public official who holds an office specified in Section 87200 who has a financial interest in a decision within the meaning of Section 87100 shall, upon identifying a conflict of interest or a potential conflict of interest and immediately prior to the consideration of the matter, do all of the following:

a. Publicly identify the financial interest that gives rise to the conflict of interest or potential conflict of interest in detail sufficient to be understood by the public, except that disclosure of the exact street address of a residence is not required.
b. Recuse himself or herself from discussing and voting on the matter, or otherwise acting in violation of Section 87100.

c. Leave the room until after the discussion, vote, and any other disposition of the matter is concluded, unless the matter has been placed on the portion of the agenda reserved for uncontested matters.

d. Notwithstanding paragraph (3), a public official may speak on the issue during the time that the general public speaks on the issue.

B. Other Agencies:

Whenever a Council Member is required to file a Statement of Economic Interest for an outside agency, the Deputy City Clerk will provide the correct form, and using the Statement of Economic Interest Form 700 filed in the City Clerk's Office for the City of Porterville, prepare a duplicate statement for signature, and forward the appropriate form to the requesting agency.

C. Redevelopment Agency Filing Requirements:

Upon assuming office, a City Council Member will also serve as a Redevelopment Agency Member. As an Agency Member, they must file a Conflict of Interest statement for the Porterville Redevelopment Project area. After assuming office, an Agency Member may not acquire any property within the Redevelopment Project area. If prior interests exist within the Project area, the Agency Member must disqualify themselves from any action taken which would constitute a benefit to them.

D. City of Porterville Conflict of Interest Code:

Certain designated City employees are also required to file conflict of interest forms under the provisions of the Political Reform Act Code, Sections 87100-87500 et seq. The City of Porterville Conflict of Interest Code was adopted by the City Council and is reviewed biennially to make sure it is kept current.

If Council Members have a question on whether an interest they have is sufficient for disqualification, they should contact the Fair Political Practices Commission at (866) 275-3772, or http://www.fppc.ca.gov, for a ruling or opinion.
X. GENERAL ITEMS

A. Different Hats

Members of the City Council also serve as the governing bodies for the following local agencies:

1. Redevelopment Agency
2. Industrial Development Authority
3. Public Financing Authority
4. Public Improvement Corporation
5. Planning Commission
6. Conflicts and Disclosure Monitor Agency

B. Compensation

As stated in the City Charter, Section 9, City Council Members shall receive $20 per Council meeting, $25 per Council meeting for the Mayor, with a maximum of seven paid Council meetings per month.

Redevelopment Agency Members shall receive $30 per Redevelopment meeting. Council Members receive no benefits other than the amounts per meeting stated above.

C. Issuance of Laptop Computers to Council Members

A Wireless Communications Policy for the laptop computers is being developed as set forth in Minute Order 14-090605. (See Appendix D)

D. Direction to Support Staff:

Upon assuming office, Council Members should notify the City Manager's staff regarding the following items:

1. Where to deliver Council agendas and Administrative Reports and Memorandums, i.e. home or business.

2. Where to leave Council agendas if the business is closed and/or if no one is home, i.e. City Manager’s Office Council mail box, front porch, back door, etc.

3. How to direct citizens who wish to speak to Council Members, i.e. take a message, give out home telephone numbers, give out business telephone numbers, etc.
E. City Attorney

The City Attorney is the legal advisor of the City Council, and all other City officials. The City Attorney shall prosecute all violations of City ordinances and shall draft all contracts and other legal documents and instruments, required by the Council or the City Manager. The City Attorney shall perform such other legal services as the Council may direct and shall attend all meetings of the Council unless excused therefrom by three members or by the Mayor.

The types of questions referred to the City Attorney are as follows:

1. Generally whether a conflict of interest exists for a Council Member and whether they should abstain from voting on a specific matter.

   Please note: Any advice received from the City Attorney relating to Conflicts of Interests is informal only and not binding; the Council Member must seek and obtain a formal written opinion from the FPPC in order to be afforded any statutory immunities.

2. Whether an issue has a legal standing, and what type of action would be appropriate.

3. Legal recommendations for matters of litigation.

F. Annual City Manager/City Attorney Evaluations

The City Council shall provide for annual evaluations for the City Manager and the City Attorney. A standardized evaluation form shall be used which shall address the areas of importance as set forth by the City Council. *(See Appendix C.)*

G. Response to President/Governor Directives

Directives issued by the President of the United States and/or Governor of the State of California shall not be considered a mandatory directive to the City of Porterville except as authorized and/or approved by the City Council. The one exception to this rule is that flags on City buildings shall be flown at half mast upon orders by the President, Governor and/or Mayor, or by majority approval of the City Council.

RESOLUTION NO. 99-2012

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORTERVILLE ESTABLISHING A POLICY CONCERNING THE ACCEPTANCE OF TICKETS BY COUNCIL MEMBERS TO CITY OR CITY-SPONSORED EVENTS

WHEREAS, at its regular meeting of September 18th, 2012, the City Council of the City of Porterville authorized the drafting of a policy limiting the acceptance of tickets by City Council Members to City and City-sponsored events;

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PORTERVILLE:

SECTION 1. The City Council hereby establishes a policy as follows: a Council Member may accept no more than two (2) tickets issued by the City to a City event or a City-sponsored event. Any tickets in excess of two (2) accepted by a Council Member shall be paid for by the Council Member from non-City funds at the time of acceptance of the tickets.

SECTION 2. This resolution establishing the above policy shall be attached as an appendix to the City Council Procedural Handbook.

PASSED, APPROVED AND ADOPTED this 2nd day of October, 2012.
